Rakkimuthu, Asst. Prof. & Head, PG Department of Botany, NGM College	IQAC/2023-24/SEP/092 Indian Science Congress Association (ISCA) Sponsored National Level Seminar on "Insights of Western Ghats Biodiversity & Its Conservation" September 25th 2023 Organized by Department of Botany Nallamuthu Gounder Mahalingam College (Autonomous) Re-accredited by NAAC, NIRF 95th Rank ISO 9001:2015 Certified, 91, Palghat Road, Pollachi - 642 001, Coimbatore, Tamil Nadu Phone No: (04259) 234868, 234870 Fax: 04259-234869 Email: ngm@ngmc.org, principal@ngmc.org Website: www.ngmc.org
About the College Nallamuthu Gounder Mahalingam (NGM) College, Pollachi was established in the year 1957 and it is an autonomous institution affiliated to Bharathiar University, Coimbatore. The college has been spreading its wings far and wide to provide a variety of educational programmes under one roof for around 60 years. Over the years, the College has been developed into a premier teaching and research Institution, offering 41 different programmes including UG, PG and research. The College has 262 staff members and 5416 students. The benevolence of the beloved Patron Arutchelvar Dr. N. Mahalingam, the President Dr. B. K. Krishnaraj Vanavarayar and the Secretary Shri M. Balasubramaniam has transformed the College into a Centre of Excellence in higher learning and active research. The academic excellence, expert faculty, state-of-the art research facilities, commendable ISR activities and promising placements are the strength of the college. The NAAC has awarded 'A' grade twice and it is also an ISO 9001:2015 certified institution. NIRF rank 95th in 2023. About the Department The Department of Botany was established during the year 1972 with an undergraduate course in botany and the post graduate course was introduced during the year 2015. The course is highly integrative in nature in order to ensure vertical and horizontal mobility of students. Curricular contents range from the Classical Botany to Applied Botany including Plant Biotechnology, Molecular Biology, and Bioinformatics and Bio nanotechnology. The infrastructure and the expertise available in the department have elevated it into a recognized research centre of Bharathiar University to carry out research in both	fundamental and applied fields of Botany to award M.Phil and Ph.D. (Full time/part time) degrees. About the Seminar Prepare to embark on a profound journey into the heart of the Western Ghats, a UNESCO World Heritage Site and one of the world's most biodiverse regions. The seminar on "Insights of Western Ghats Biodiversity & Its Conservation" is a meticulously curated event that offers a deep dive into the ecological wonders of this ancient mountain range. With a focus on biodiversity exploration and conservation strategies, this seminar promises a transformative experience for participants from diverse backgrounds. Objectives of the Seminar - Identify Threats: Discuss threats to Western Ghats biodiversity, such as habitat destruction, climate change, pollution, and invasive species. - Raise Awareness: Increase awareness of Western Ghats' unique biodiversity. - Comprehensive Understanding: Provide in-depth knowledge of Western Ghats biodiversity, including flora, fauna, ecosystems, and interconnections. - Promote Research: Encourage biodiversity research and foster collaboration among researchers and institutions. Who can participate? Interested and aspiring students, scholars and teaching staff of life sciences from any institution. Registration For confirmation of registration send e-mail to ngmflora@gmail.com on or before 22 September, 2023. Fees details Before 22.09.2023 - Rs. 100/- (G-Pay at 9842712463)	Indian Science Congress Association (ISCA) Sponsored National Level Seminar on "Insights of Western Ghats Biodiversity & Its Conservation" September 25th 2023 REGISTRATION FORM Name : _____ Programme & Branch : _____ Designation : _____ Organization : _____ Address : _____ Contact Number : _____ e-mail ID : _____ Date : _____ Signature of the participant Place : _____ Note : Photocopy of the filled registration form send on or before 22.09.2023. through E-mail: ngmflora@gmail.com

2. Detailed Report of the Event

A one day national seminar organized by UG and PG Department of Botany of NGM college in association with The Indian Science Congress Association, Coimbatore chapter on the title: "Insights of Western Ghats Biodiversity & Its Conservation" on 25th, 2023. at Prof. M. Alkondan Hall, NGM College, Pollachi

Aim of the Seminar: The aim of the seminar is to make deeper understanding in better way on Western Ghats Biodiversity & Its Conservation.

About the Seminar

Prepare to embark on a profound journey into the heart of the Western Ghats, a UNESCO World Heritage Site and one of the world's most biodiverse regions. The seminar on "Insights of Western Ghats Biodiversity & Its Conservation" is a meticulously curate event that offers a deep dive into the ecological wonders of this ancient mountain range. With a focus on biodiversity exploration and conservation strategies, this seminar promises a transformative experience for participants from diverse backgrounds.

Resource Person :

Objectives:

- Identify Threats: Discuss threats to Western Ghats biodiversity, such as habitat destruction, climate change, pollution, and invasive species.
- Raise Awareness: Increase awareness of Western Ghats' unique biodiversity.
- Comprehensive Understanding: Provide in-depth knowledge of Western Ghats biodiversity, including flora, fauna, ecosystems, and interconnections.
- Promote Research: Encourage biodiversity research and foster collaboration among researchers and institutions.

Seminar Summary

The ISCA sponsored National Level Seminar at NGM College on September 25th, 2023. It was a remarkable event that brought together experts, researchers, and enthusiasts in the field of Botany, organized by the UG and PG Department of Botany of NGM College, Pollachi, the

seminar was aimed to promote knowledge exchange and discussions on various aspects on botanical research, with a special focus on the Western Ghats biodiversity and its conservation importance.

Inaugural Session:

The seminar begins with a Prayer song and lighting of Kuthuvilakku by Principal, Dean R&D, Manager Administration, Heads, Department of UG and PG Botany, Guest speakers and ISCA convenor, Coimbatore chapter. A warm welcome address given by Dr. A. Logamadevi, Associate Professor and Head of the Department of Botany at NGM College. She highlighted the importance of the Western Ghats as a unique ecological hotspot of conservation importance and expressed her enthusiasm for the day's proceedings. Followed by the inaugural address was delivered by Dr. R. Muthukumaran, Principal of NGM College. He emphasized the crucial role of botany in addressing contemporary challenges and the need for sustainable plant-based solutions for human welfare.

Inauguration of ATP & PG PLANTA Associations

The program also included with the inauguration of ATP & PG PLANTA Department Associations of UG and PG Botany. Some of the student volunteers were elected as president, vice-president, secretary, joint secretary, treasurer, and green warrior.

Technical Sessions:

Technical Session - 1

Technical Session – 1 Lead lecture by Dr. S. Paulsamy, the Dean of Research and Development at Kongunadu Arts and Science College, Coimbatore was introduced by Dr. A.M. Ananda kumar, Assistant Professor, PG Botany to the forum. Dr. S. Paulsamy took the stage for the first technical session. He delivered a captivating presentation on “Western Ghats: A Potential Landscape for Antiviral Plants”. His talk shed light on the rich diversity of plant species in the Western Ghats and detailed actions of SARS Cov 2 virus on human system and about antiviral potential plants available at Western Ghats.

Technical Session - 2

The second technical session featured Dr. V. S. Ramachandran, a renowned field botanist and Taxonomist, Professor (Retd.) from the Department of Botany at Bharathiar University, Coimbatore. Dr. K. Rajalakshmi, Associate Prof., Department of Botany introduced the chief guest to the gathering. His presentation on, 'Plants for Human Welfare,' explored the various ways in which plants contribute to human well-being, from food and medicine to ecological balance. He also added important plant species which commercially more viable and also many alternative species used in the preparation of indigenous medicinal formulation.

Technical Session - 3

The Post lunch and third technical session featured Dr. S. Karuppusamy, Associate Professor, Department of Botany, The Madura College, Madurai was introduced by Dr. E. Neelamathi, Assistant professor, Department of Botany. Dr. S. Karuppusamy delivered a lecture on 'Conservation Implications of Medicinal Plant Diversity in the Western Ghats, India,' delve into the importance of preserving the unique and valuable medicinal plant species found in the Western Ghats. He also listed the important endemic plant species of Western Ghats and its conservation importance. He insisted that conservation of plant biodiversity is need of the hour for the well-being of humans.

Valedictory Session

The seminar concluded with certificate distribution to participants and formal vote of thanks by Dr. R. Rakkimuthu, Assistant Professor, and Head of the PG Department of Botany at NGM College. He expressed gratitude to the management, Principal, Deans, ISCA conveners, UG and PG department staff members, speakers, organizers, and participants for their contributions and active participation throughout the day.

Conclusion:

The Botanical Seminar at NGM College served as an informative and engaging platform for the exchange of knowledge and ideas in the field of botany, particularly focusing on the Western Ghats region. The insightful presentations by esteemed speakers and the interactive campus flora visit enriched participants' understanding of plant diversity, conservation, and their significance in addressing global challenges. The seminar not only facilitated academic learning

but also fostered connections and collaborations among botany enthusiasts, ensuring the continued growth of botanical research and its applications for human welfare.

Evaluation

Feedback from faculty members and students was extremely positive. The presentation and the inputs given by the resource persons were highly valued. Participants appreciated for being able to clarify doubts with the experts.
