Seminar on "Data Science"

Seminar on "Data Science" was organized by UG Department of Computer Science (SF) on 27.10.2023 for our UG Students to provide a brief overview of the importance of data science in education.

Number of Students Participated: 70

Programme Objective:

Key Points Discussed

1. Personalized Learning

- Defined personalized learning and its significance in education.
- Discussed how data science plays a crucial role in tailoring education to individual needs and learning styles.

2. Data Collection and Analysis

- Discussed the types of data collected, such as student performance, engagement, and behavior.
- Emphasize the importance of data security and privacy in education.

3. Predictive Analytics & Learning Analytics

- Described how predictive analytics is applied in education to identify at-risk students and intervene early.
- Discussed the use of predictive models to forecast student performance and its role in assessing the effectiveness of teaching methods.

5. Challenges and Ethical Considerations

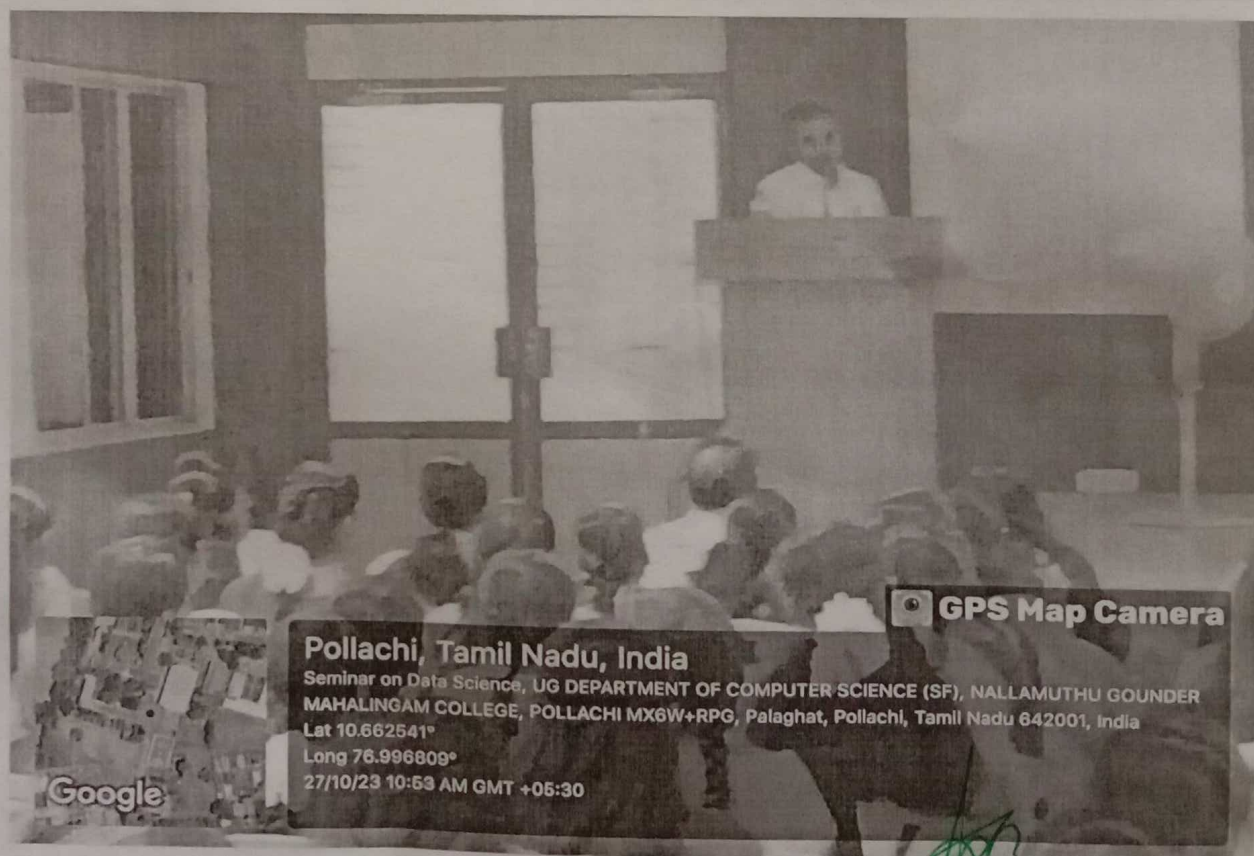

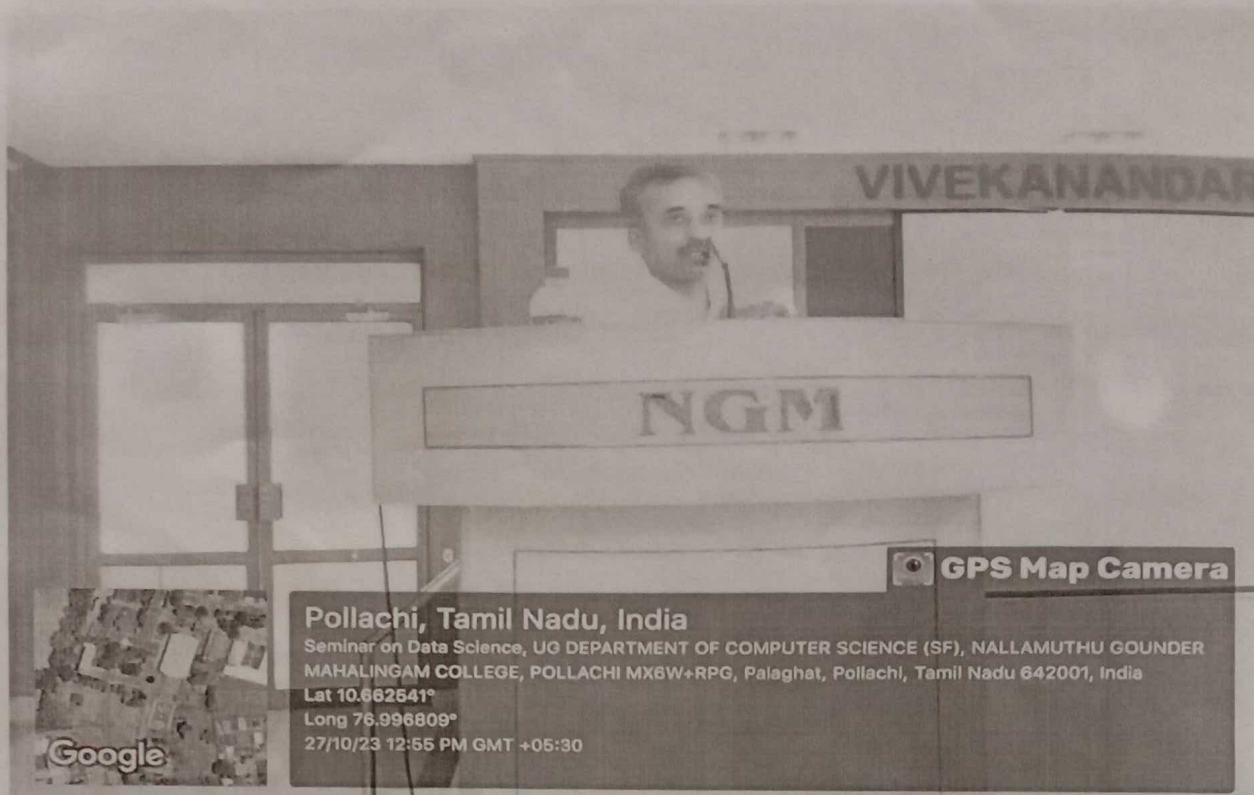

- Highlight challenges such as data quality, interpretability, and accessibility.
- Address ethical concerns related to student data privacy and algorithmic biases.

One Day Workshop on

"Computational Thinking and Programming"

For UG Computer Science Final Year Students

UG Department of Computer Science (SF) organized a one day workshop on **"Computational Thinking and Programming"** for UG Computer Science final year students on 13.09.2023 at Computer Lab-VI.

Objective

The main objective of this workshop is to provide technical training on computational thinking and the programming concepts needed to solve problems in data structures and algorithms. Participants learnt to use different tools like Flowgorithm, Visualgo, etc.,. Instructions aided with Hands-on session helped the students to grasp the concepts easily.

Resource Persons

Ms. Jayashree Chelladurai

Assistant Professor (SS),
Department of CSE,
Dr. MCET, Pollachi.

Ms. G. Gayathri

Assistant Professor,
Department of CSE,
Dr. MCET, Pollachi.

The session started with the prayer song by second year students S. Aarthi and K. Madhuvarshini. Dr. R. Nandhakumar, Head, UG Department of Computer Science (SF) welcomed the resource persons.

The session by Ms. Jayashree started with presentation on Introduction to Data Structures and Programming. She gave a detailed explanation about steps and methods to solve the problems. In the Hands-on session, students were asked to solve the given problems

using Visualization tools like PixaBlox. The session by Ms. G. Gayathri was an interactive session. Students developed animation games in that session.

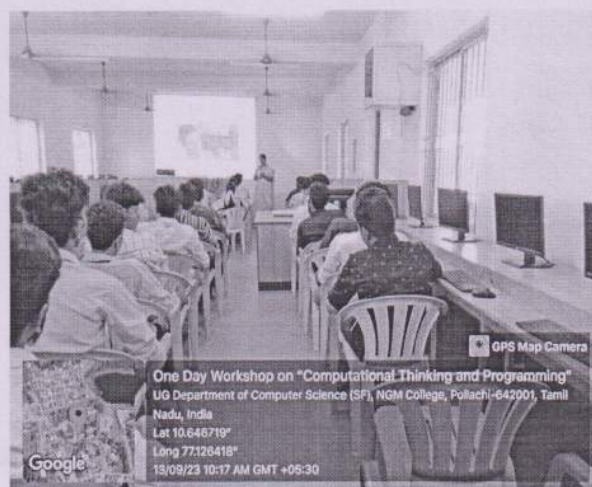

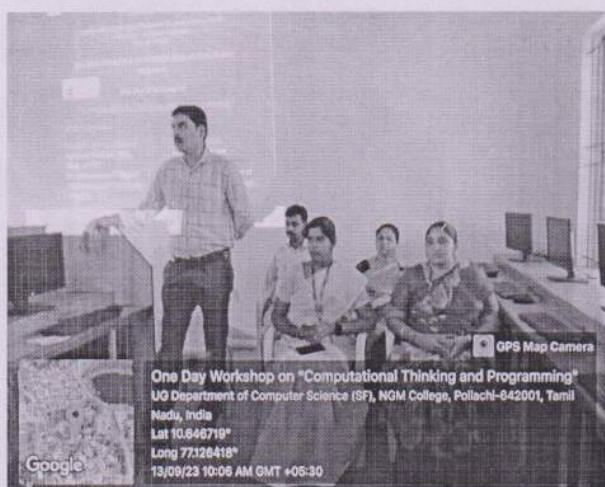

There were 92 participants from III-B.Sc Computer Science (A & B) Section.

Feedback

Feedback has been collected at end of the Session.

SKILL ENHANCEMENT PROGRAMME

“AN AWARENESS PROGRAMME ON INTERNSHIP”

Skill Enhancement Programme was organized by UG Department of Computer Science (SF), NGM College on **18th July 2023** at Prof. Alkondan Hall at 2.30 p.m. The programme titled “An Awareness Programme on Internship”. The Session was handled by **Mr. Thangaraj Ponnusamy, Founder & Delivery Manager, Porselvi Software Pvt. Ltd., Udumalpet.**

Students Participated:

B.S CS A & B: 97

B.Com (SF): 40

B. Com Finance: 51

Programme Objective:

To create awareness among students to know about the advantage of doing internship by providing exposure to each build and develops skilled connections to refine their career goals.

Programme Agenda:

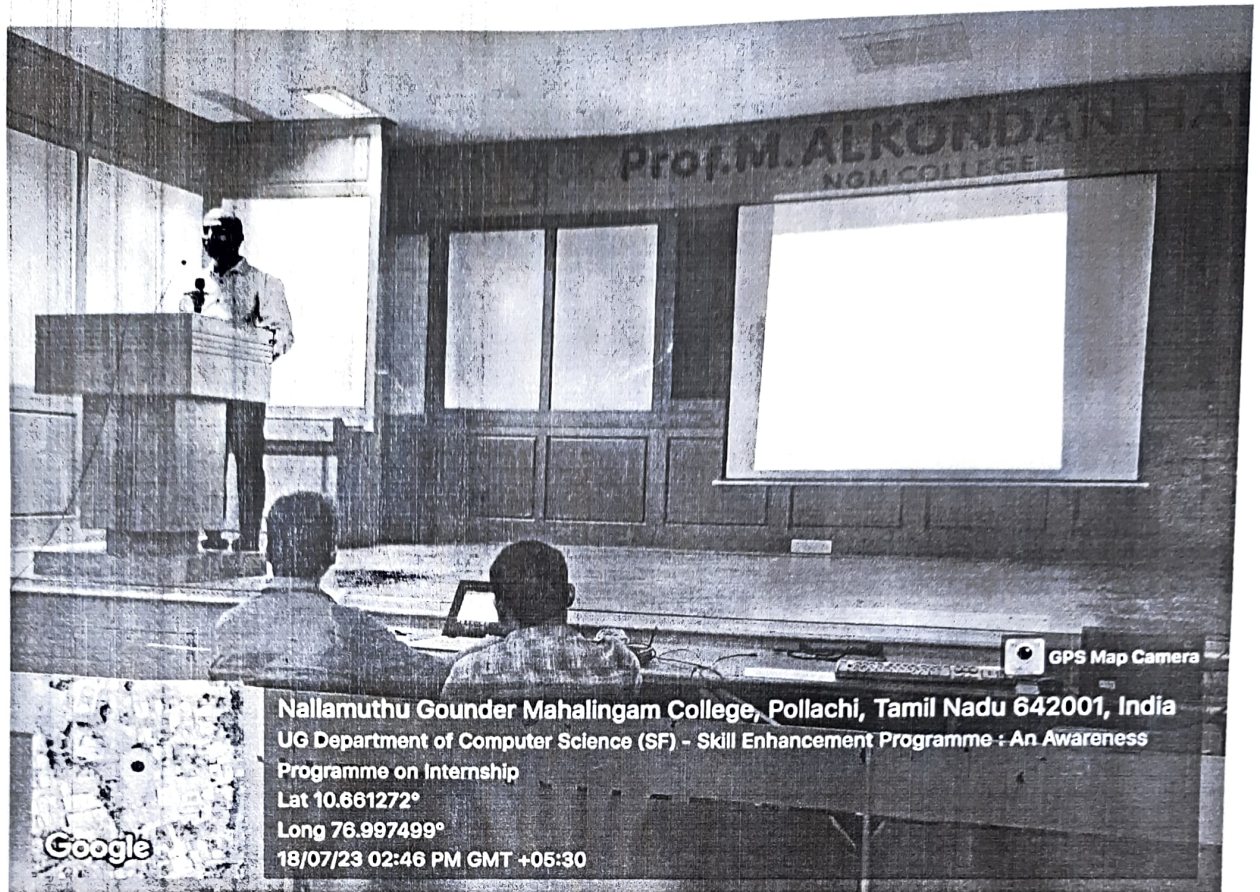

The welcome speech was given by Ms. M. Kalpana (III Yr) followed by profile reading. Then session started with introduction of Internship, how to find internship, skills to be development, types of internship provided by various companies and finally with job opportunities for students. Nearly 200 final year students from B.Sc CS A & B, B.Com (SF) and B. Com Finance participated in the programme. After completion of the session, students interacted with the chief guests to clear their doubts. Vote of thanks was given by R. P. Arun Mohan Vikas III Yr). The session completed with National Anthem. Finally feedback form has been circulated among the students.

Outcome of the program:

The session helped students to create opportunities, embrace new ideas, and lead positive change. A successful internship can give them valuable information in making decisions about the direction of future studies or employment.

“Full Stack Development: Bridging Frontend and Backend with Java”

The UG Department of Computer Science (SF) has organized a *Skill Enhancement Programme on “Full Stack Development: Bridging Frontend and Backend with Java”* that helps our students to delve into the latest programming languages and increase students flexibility and adaptability, making it easier to switch between different projects and technologies.

No. of Participants: 110

Programme Objective:

Upon completion of the seminar, participants will gain proficiency in full-stack development, mastering the integration of frontend and backend technologies with Java, and acquire the skills needed to design, deploy, and secure modern web applications.

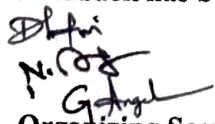

Key Topics Covered:

1. **Introduction to Full Stack Development:**
 - Definition and importance of full-stack development.
 - Overview of the frontend and backend components.
2. **Frontend Technologies:**
 - Introduction to HTML, CSS, and JavaScript.
 - Overview of popular frontend frameworks like React, Angular, and Vue.js.
3. **Backend Development with Java:**
 - Overview of Java as a backend programming language.
 - Introduction to server-side frameworks such as Spring Boot.
4. **Data Storage and Databases:**
 - Integration of databases with Java backend.
 - Overview of relational databases (e.g., MySQL) and NoSQL databases (e.g., MongoDB).

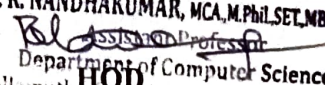

Outcome of the program:

Participants will develop comprehensive skills in full-stack development, bridging frontend and backend with Java, enabling them to design, deploy, and secure modern web applications effectively.

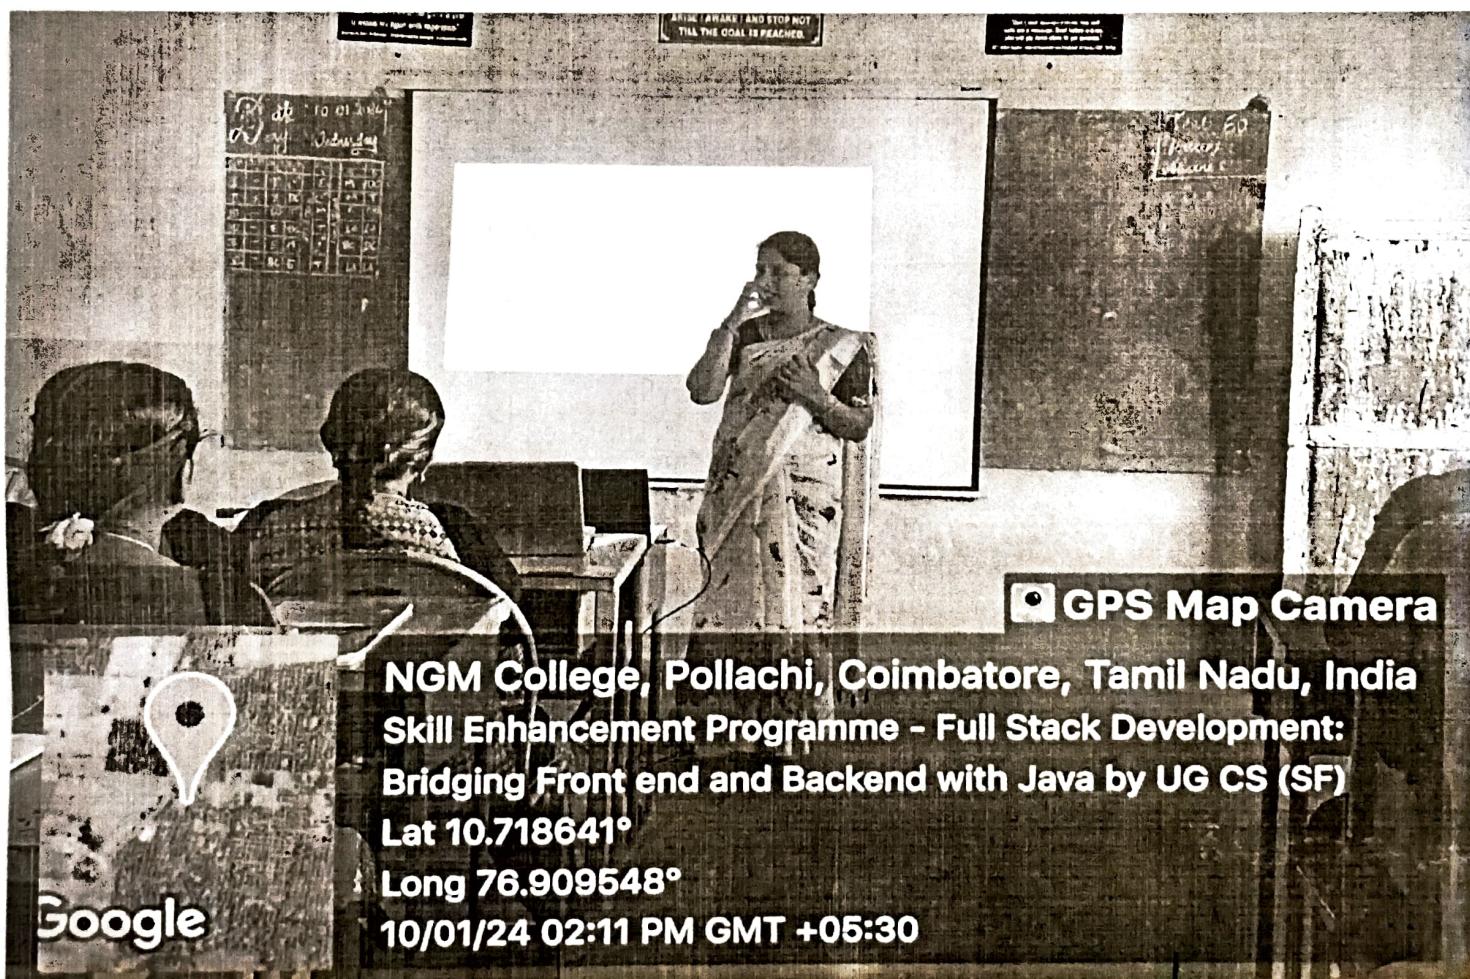

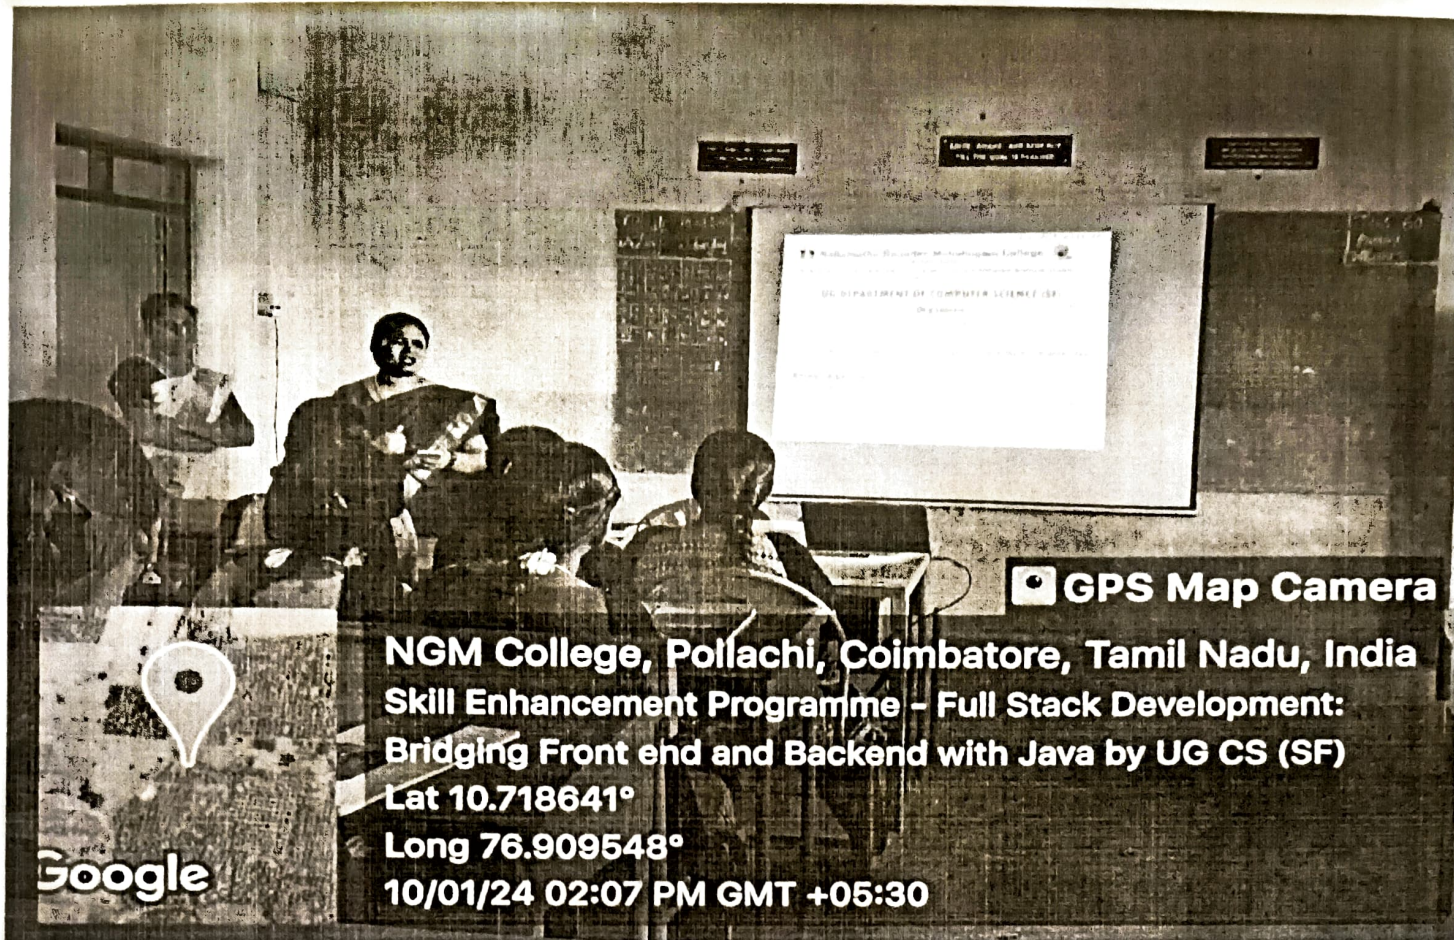

Feedback has been collected at end of the session.
