One Day Workshop on

“Computational Thinking and Programming”

For UG Computer Science Final Year Students

UG Department of Computer Science (SF) organized a one day workshop on “Computational Thinking and Programming” for UG Computer Science final year students on 13.09.2023 at Computer Lab-VI.

Objective

The main objective of this workshop is to provide technical training on computational thinking and the programming concepts needed to solve problems in data structures and algorithms. Participants learnt to use different tools like Flowgorithm, Visualgo, etc.,. Instructions aided with Hands-on session helped the students to grasp the concepts easily.

Resource Persons

Ms. Jayashree Chelladurai

Assistant Professor (SS),
Department of CSE,
Dr. MCET, Pollachi.

Ms. G. Gayathri

Assistant Professor,
Department of CSE,
Dr. MCET, Pollachi.

The session started with the prayer song by second year students S. Aarthi and K. Madhuvarshini. Dr. R. Nandhakumar, Head, UG Department of Computer Science (SF) welcomed the resource persons.

The session by Ms. Jayashree started with presentation on Introduction to Data Structures and Programming. She gave a detailed explanation about steps and methods to solve the problems. In the Hands-on session, students were asked to solve the given problems.

using Visualization tools like PixaBlox. The session by Ms. G. Gayathri was an interactive session. Students developed animation games in that session.

There were 92 participants from III-B.Sc Computer Science (A & B) Section.

Feedback

Feedback has been collected at end of the Session.
