Difference between Stock Market Investing and Mutual funds Investing

Stock Market

- Time required to track the markets
- Knowledge required what to buy and sell
- One needs bulk capital to invest. Ex one share of reliance is 1900 so 10 shares will cost Rs. 19000

Mutual Funds

- You do not have to dedicate your time as MF is looked by Fund manager
- No knowledge required as Fund manager and his research team does buying and selling
- One can start with Rs. 500 SIP
- Any one like rickshaw driver, washer man can also invest
