PG AND RESEARCH DEPARTMENT OF MATHEMATICS

Report

PG and Research department of Mathematics organizes seminars and guest lectures frequently to enrich the knowledge in different areas of Mathematics and to develop their life oriented skills. In this regard, this year, we started with conducting a seminar on "Importance of Mathematics" on 03.07.2023. Dr. V. Chitra, Associate Professor, Department of Mathematics, gave the welcome address. Presidential address was delivered by Dr. R. Muthukumar, Principal, NGM College. Special address was given by Dr. K. Murugesan, Professor (HAG), Department of Mathematics NIT, Trichy. He explained the importance of Mathematics in a very clear manner and gave some fruitful examples to our students. Really it was very informative and motivation for the students to update their mathematics knowledge. Also it helped to get awareness about the applications of Mathematics in various fields. At the end of the event Dr. S. Sivasankar, Associate Professor of Mathematics, proposed a vote of thanks.

Report

Date: 22.08.2023

Time: 10.15 AM

PG and Research Department of Mathematics and Institution's Innovation Council Jointly Organized a motivational session for all first year students.

The program was started with Tamil Thai Valthu by Ms. J. Balasangari and Ms. S. Savitha.

Dr. V. Inthumathi, Head, Department of Mathematics, welcomed the gathering and motivated the students to develop their skills for the current scenario.

Dr. R. Muthukumaran, Principal, gave a nice felicitation address which inspired our team, as well all the freshers.

Our Chief guest Dr. P. Kanagaraj, Associate Professor and Head, Department of Political Science, Government Arts College, Coimbatore-18, gave a motivational talk on Aptitude and Attitude for success in life and career.

The entire motivational talk was about "Think positive and think impossible is possible, Dream big, Believe in you, dream out of the box". This inspirational talk motivates all the fresher's to do wonders in life and their career. He also explained about the various competitive examinations like Civil Service exam, UPSC exam, Bank exams, etc. Hence all of us enjoyed the motivational talk. It helped them to gain a lot of confident in what the students want to achieve them in life.

Finally, the session was concluded with vote of thanks given by Dr. J. Jayasudha, who insisted the students to follow the ideas given by the resource person.

Report

DATE:31.08.2023

TIME: 10AM

Department of Mathematics and Institution's Innovation council jointly organized a session on "How to plan for start-up and legal and ethical steps". Dr. V. Inthumathi, Associate professor and head, IIC-vice president, NGM College gave a warm welcome address by introducing the chief guest.

The resource person Prof. N. Anbarasu, Assistant Professor in Economics, NGM College explained clearly about start-ups and how to plan for start-ups. He also gave the tips for how we should communicate with others while doing business. He also explained about legal and ethical steps involved in registering start-ups. All participants of this session were motivated to register start-ups and to become entrepreneur.

Finally the session ended with a nice vote of thanks by Dr. M. Amutha. She summarized the session's ideas in a crisp manner in her vote of thanks.

Report

To mark the birth anniversary of Indian Mathematician Srinivasa Ramanujan, we had the practice of celebrating National Mathematics Day every year on Dec 22nd. This year, in view of National Mathematics Day we had organized a seminar on 'Applications of Graph Theory'. Dr. S. Jeevadoss, Assistant Professor (Sr.Gr), Department of Applied Mathematics and Computational Science, PSG College of Technology, Coimbatore presented applications of Mathematics in various fields and connected the works of Srinivasa Ramanujan. Dr. R. Muthukumar, Principal, NGM College felicitated the function. In the afternoon session, quiz competition was conducted with quiz masters M. Jeevapreethi and K. Rajarajeswari of II M.Sc. Mathematics. At the end, a debate was conducted on the topic 'Maths is easy or tough'. Dr. V. Chitra acted as a judge for the debate and concluded the session with the judgment 'Maths is easy with proper understanding'. Overall, the program enlightened the students in various aspects.

Dear Professor,

Warm Greetings!

We, PG and Research Department of Mathematics, NGM College and PG and Research Department of Mathematics, Government Arts College, Coimbatore, have decided to organize a One day workshop on "Theory of Automata" on Jan 30, 2024 at 9.30 am. So, it's our privilege to have you as a resource person on that day. Kindly give your consent to be the speaker on that day.

Thanking you,

Pollachi

ABOUT GOVERNMENT ARTS COLLEGE (A)

The Government Arts College, Coimbatore was established in the year 1852. During 1946-47 the college was elevated as under graduate institution by offering UG programmes. The college was upgraded to Post graduate level in 1969 and conferred Autonomy in 1987. At present, the college is offering various courses, out of which 23 programmes are at UG level and 21 programmes are at PG level. Almost all PG departments offer FT/ PT research programmes. The Government Arts College, Coimbatore consistently remains among top three Government Colleges in Tamilnadu. The college stands in the 32nd position as ranked by NIRF.

ABOUT NGM COLLEGE

Nallamuthu Gounder Mahalingam College has completed 65 years of dedicated and excellent service in the field of education. The college has been catering to the educational needs of students belonging to the rural and the first generation learners of this part of the country. NGM College achieved greater academic distinction with the introduction of autonomous system from the academic year 1987-1988. The college has blossomed into a premier teaching and research institution offering 43 different programs encompassing UG, PG and research degrees. The benevolence of the founders Nallamuthu Gounder and Arutchelver Dr. N. Mahalingam, the guidance of the President Dr. B. K. Krishnaraj Vanavarayar and support of the secretary M. Balasubramaniam have enabled the institution to become a coveted centre for higher studies. Academic excellence, expert faculty, research facilities and promising placements are the strengths of our college.

DEPARTMENT OF MATHEMATICS GOVERNMENT ARTS COLLEGE (A)

The Department of Mathematics has registered a steady growth right from its inception in 1946. It offers UG courses in B. Sc. Mathematics in both Tamil medium and English medium in Shift I and B. Sc. Mathematics English medium in Shift II, PG course M. Sc. Mathematics, M. Phil and Ph. D programmes both in Part Time and Full Time. The faculty is actively engaged in research. So far nearly 150 M. Phil candidates and 50 Ph. D candidates have successfully completed their degree. At present 36 students are pursuing Ph. D in diverse fields such as Operator Theory, Topology, Graph Theory, Fluid Dynamics, Algebra, Neural Networks, Automata Theory, Operations Research, Fuzzy Theory, Dynamical Systems and Differential Equations under the guidance of our faculty and have contributed more than 250 research publications in National and International peer reviewed and scopus journals.

DEPARTMENT OF MATHEMATICS NGM COLLEGE

The Department of Mathematics was established in the year 1959 with the B.Sc., programme and then upgraded as the Post Graduate Department in the year 1979. Induction of research programmes; M.Phil in 1983 and Ph.D in 1992 enriched it. The Department has competent faculties actively involved in teaching, learning and research. Our alumni has occupied leading positions in top ranked industries and premier institutes across the globe. The Department is deeply involved in research and shares the knowledge and transfer it to the academic through publications, collaborations, lectures and so on. In the last two decades, Department was instrumental to 202 M.Phil and 25 Ph.D holders. Our faculty members have published above 125 research articles in reputed International and National Journals and presented more than 90 research papers in the International and National level Conferences and Seminars. Recently the Department is supported by NBHM through annual library grant for purchase of books.

OBJECTIVE OF THE WORKSHOP

The objective of this workshop is to bring the students and faculty from various institutions on one platform where they can be motivated to acquire knowledge and promote research in the field, **THEORY OF AUTOMATA**.

ONE DAY WORKSHOP ON "THEORY OF AUTOMATA"
Report**

Workshops are conducted among the students to focus especially on techniques and skills in a particular area. This helps the students to acquire knowledge in the particular field. Likewise we members of Department of Mathematics jointly organized a one day Workshop on "Theory of Automata" with Government arts college, Coimbatore on 30/01/2024 at Government Arts College, Coimbatore.

The Workshop started with inauguration at 9.30 am. Welcome address for the inauguration was given by Dr. N. Jayanthi, Convenor of this workshop. Madam welcomes the Chief guest Dr. N. Murugesan, Associate Professor of Mathematics, Government Arts College, Coimbatore. She insisted that such kind of workshops/Seminars should be conducted jointly every. Felicitations was given by Dr. P. Kanakaraj, Vice principal, Government Arts College, Coimbatore. He explained about the importance of mathematics and about history of few amazing mathematicians.

Next, Dr. V. Inthumathi, Convenor of this workshop gave a nice Vote of thanks thanking the management, Principals, Organizing secretaries of Workshop, all the faculty members and students of both colleges.

Next session 1 starts at 10.00 am

The speaker Dr. N. Murugesan explained the concept of finite state automata. Three types of automata namely Deterministic finite state Automata (DFA), Non-Deterministic finite state automata (NFA), Non-Deterministic finite state automata with ϵ -moves (ϵ -NFA) are defined and explained with examples. Equivalence of these automata is also discussed. The languages for which the finite state automata cannot construct are illustrated with a well-known lemma called Pumping lemma. The languages accepted by automation are called regular languages.

In Session 2

A finite state automation with additional device called stack is called Pushdown Automata (PDA). Mathematical description of PDA is explained with an example and in particular, how a non-deterministic PDA accepts the strings of its language is discussed with an example. The languages accepted by PDA are called context free languages. An example which is not a context free language is also discussed.

In Session 3

The most advanced theoretical abstract computing device called Turing machines is defined. Turing machines for both languages acceptors and computing functions are discussed. The languages for which a TM cannot be constructed are unsolvable, otherwise they are solvable. Some unsolvable problems are also discussed.

Finally, the workshop ends with valedictory function. Dr. V. Chitra, organizing Secretary of this workshop gave a warm welcome address. Then Dr. B. Selvaraj, Controller of Examination, Government Arts College, Coimbatore, gave a valedictory address. Finally Vote of thanks was given by Dr. P. Suguna, organizing secretary of workshop, Government Arts College, Coimbatore. She thanked each and every one who involved in conducting this workshop successfully. Certificates were distributed to staff and students. The workshop ends with National Anthem.

PI-day celebration-2024

Report

We, department of Mathematics have a practice of celebrating Pi-Day on March 14th every year. This year we invited a renowned mathematician Dr. N. Murugesan, Associate Professor, Department of Mathematics, Government Arts College (Autonomous), Coimbatore to give a special lecture on "The essence of assumptions in Mathematics". The day started with prayer song by Ms. M. KarpagaSubasree and Ms. L. Kavya. Next, Dr. V. Inthumathi, Associate Professor and Head, Department of Mathematics, NGM College, Pollachi gave a beautiful apt welcome address with the series of quotes. She also congratulated II M. Sc. Students for preparing the mathematics magazine Mathzine-23. Felicitation address was given by Dr. R. Muthukumaran, Principal, NGM College, Pollachi. He related each and everything to mathematics and explained about the wonders of mathematics. Next, prizes for various competitions which were conducted previously for Pi-Day were distributed to students by Chief guest, Principal and Head of the department. Next magazine Mathzine-23 was released by our chief guest and principal received it.

Then our chief guest Dr. N. Murugesan explained the essence of assumptions in Mathematics. Finally vote of thanks was given by Dr. M. Malieswari, Assistant Professor of Mathematics, NGM College, Pollachi. She thanked everyone on the dais and all the students for bringing this Pi-Day celebration a grand success.
