Event Report: Faculty Development Programme on Yoga for Healthy Life

The Department of Human Excellence organized a 7-day Faculty Development Programme titled "Yoga for Healthy Life" from January 29, 2024, to February 6, 2024. The program aimed to promote holistic well-being among faculty members through the practice and understanding of yoga.

Inauguration Session:

Ms. S. Jeyalakshmi, Assistant Professor and Head of the Department of Human Excellence, commenced the inaugural session with a warm welcome address. Dr. Ragavendara Swamy, BNYS, delivered a lecture on the integration of yoga and natural living for a healthy lifestyle.

Daily Sessions Highlights:

Day 2: Dr. P. Veerasithi Vinayagan enlightened participants on Agna initiation and led demonstrations on various exercises including leg exercises, neuromuscular breathing exercises, and eye exercises.

Day 3: Mr. N. Panneerselvam, Assistant Professor, elucidated the science of Kayakalpa.

Day 4: Ms. S. Shanmuga Vadivu emphasized the significance of anger neutralization and worry eradication, followed by practical demonstrations by Mr. V. Settu on physical exercises.

Day 5: Ms. S. Maheshwari discussed the importance of shanthi initiation and its benefits, accompanied by demonstrations on physical exercises, massage, acupressure, and relaxation techniques by Dr. D. Gnanasoundari.

Day 6: Dr. S. Jagadambal shed light on the greatness of Thuriya meditation and its benefits, while Dr. P. Veerasithi Vinayagan conducted demonstrations on the practice of Surya Namaskar.

Valedictory Session:

The program concluded with a valedictory session where certificates were distributed to both teaching and non-teaching faculty members from various departments. Several participants

shared their feedback on the impact of the program. The event concluded on a patriotic note with the singing of the national anthem.

Participant Engagement:

Over 50 faculty members from diverse departments actively participated and benefited from the Faculty Development Programme.

The event successfully fostered a deeper understanding of yoga and its application for a healthy lifestyle among the faculty community. It provided a platform for learning, practice, and reflection, contributing to the overall well-being of the participants

8 Days Faculty Development Programme on “AI tools for Teachers”

Date: 07.08.2023 to 18.08.2023

Faculty Development Programme on “AI tools for Teachers” was organized by UG Department of Computer Science (SF) & PG & Research Dept. of Botany, NGM College from 07.08.2023 to 18.08.2023 at Computer Lab - I.

Staff Participated: 73

Key Objectives:

1. **Empowerment Through Technology:** The FDP aimed to empower educators with the necessary knowledge and skills to navigate the evolving landscape of AI in education, enabling them to harness AI tools for enhanced teaching and learning experiences.
2. **Enhance Pedagogical Practices:** By introducing AI-powered tools and techniques, the program sought to enhance pedagogical approaches and promote innovative methods of instruction, catering to diverse learning styles and needs.
3. **Personalized Learning:** The program focused on equipping teachers with AI tools that facilitate personalized learning experiences, catering to individual student strengths, weaknesses, and learning paces.
4. **Efficient Resource Management:** Educators were introduced to AI tools that assist in managing educational resources more efficiently, optimizing content creation, assessment, and administrative tasks.

Program Highlights:

1. **AI in Content Creation:** Faculty members were exposed to AI tools that can aid in generating relevant and engaging educational content, thereby saving time and increasing the quality of materials.

2. **Adaptive Assessment:** The program showcased AI-powered assessment platforms capable of adapting to students' performance, allowing educators to tailor their teaching strategies based on real-time feedback.
3. **Data-Driven Insights:** Participants learned how AI analytics can provide valuable insights into student performance patterns, helping educators make informed decisions about instructional interventions.
4. **Virtual Teaching Assistants:** The FDP introduced the concept of virtual teaching assistants, AI-powered tools that can assist teachers in answering common student queries and providing additional support outside of class hours.
5. **Ethical Considerations:** A significant aspect of the program was dedicated to discussing the ethical implications of using AI tools in education, ensuring that educators make responsible and informed choices.

Outcomes:

1. **Enhanced Pedagogical Strategies:** Faculty members gained a deeper understanding of how AI tools can be integrated into their teaching methodologies, enhancing engagement and learning outcomes.
2. **Personalized Learning Environments:** Educators were equipped to create tailored learning environments that cater to individual student needs, fostering a more inclusive classroom.
3. **Efficient Resource Utilization:** The program empowered teachers to optimize their time and resources by leveraging AI tools for content creation, assessment, and administrative tasks.
4. **Data-Driven Decision Making:** Educators learned to make data-driven decisions by analyzing AI-generated insights, enabling timely interventions and improvements.

Report of the Event

One Day Awareness Program on “NATIONAL POLLUTION CONTROL DAY”

The objective of Pollution Control Day is to raise awareness about the detrimental impact of pollution on the environment and human health. This observance aims to educate individuals, communities, and industries about sustainable practices, fostering a sense of responsibility towards environmental conservation. Through advocacy, it promotes stringent policies and their effective implementation for pollution control. Encouraging collaborative efforts, community engagement, and innovation in pollution mitigation technologies, the day seeks to inspire collective action. By emphasizing monitoring, reporting, and global cooperation, Pollution Control Day endeavors to instigate positive change, encouraging individuals and organizations to contribute to a cleaner and healthier planet.

It was attended by 130 participants from faculties and Students of NGM College. The Event was presided by Dr. M. Rajasenathipathi, Head of the Department.

OBJECTIVE OF THE PROGRAM

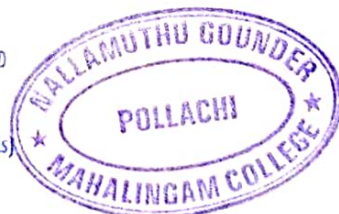

One Day Awareness Program on "NATIONAL POLLUTION CONTROL DAY"

Pollution Control Day serves as a platform to address the urgent need for environmental consciousness and action. The primary objective is to increase public awareness about the severe consequences of pollution on ecosystems, biodiversity, and human health. It aims to educate student's community, and individuals about adopting sustainable practices that mitigate environmental degradation. The day emphasizes the significance of robust environmental policies, calling for their strict enforcement and continual improvement to curb pollution.

Through community engagement activities like clean-up drives and tree planting, Pollution Control Day seeks to inspire grassroots participation in environmental conservation. It encourages collaborative efforts among government bodies, non-governmental organizations, industries, and the public to collectively combat pollution. The main aims to promote research and innovation in pollution control technologies, encouraging the development of cleaner alternatives and sustainable solutions. By stressing the importance of monitoring pollution levels and reporting violations, it seeks to ensure a proactive approach to environmental protection.

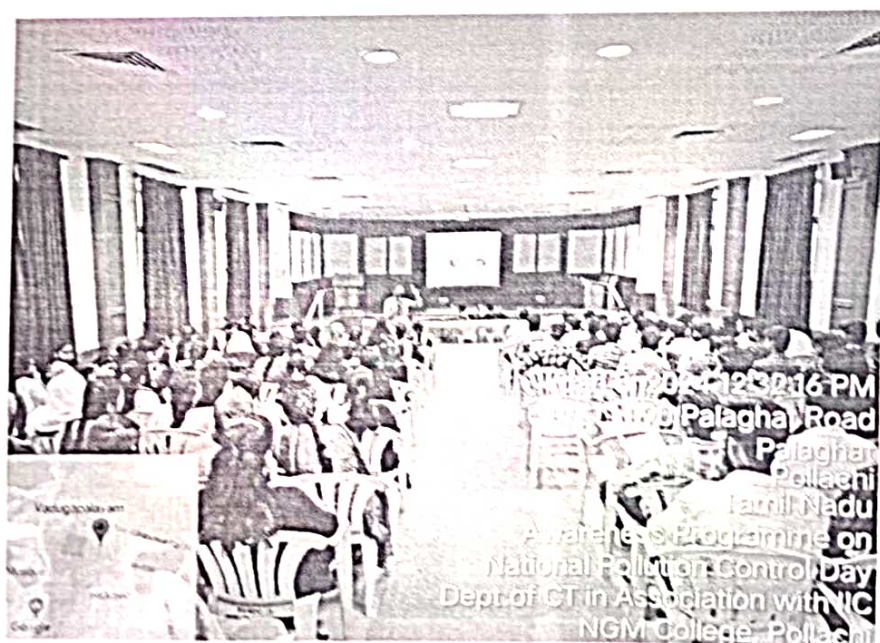

Global cooperation is another crucial aspect, as Pollution Control Day underscores the interconnected nature of environmental challenges, urging nations to work together to address transboundary pollution issues. Overall, the day acts as a catalyst for positive change, motivating individuals and organizations to contribute actively to creating a cleaner, healthier, and more sustainable planet.

Body text:

Dear Dr.Meera,

This is with reference to your application seeking financial assistance for organizing the National Seminar on "*Perspective of ICT Tools In Education* ". Your request has been considered by the Expert Committee on National and International Seminar and I am pleased to inform you that the Committee has recommended an amount of Rs.80, 000/- for organizing the national seminar.

You are therefore requested to kindly submit the exact schedule/programme of the Seminar. Please ensure that once the seminar schedule is confirmed, it should not be changed in any case. A formal sanction letter will be sent after the confirmation of the seminar dates, programme and list of resource persons.

Best regards,
