Awareness Activity Report

Title of the Event: Need for Energy Conservation and Frugality in Energy Use

Event Date: 15.12.2023

Event ID: IQAC/2023-24/Dec/166

The UG Department of Commerce (CA) organised an awareness programme on Need for Energy Conservation and Frugality in Energy Use on 15.12.2023. Mr. C. Jebaraj, BEE Certified Energy Auditor, ALCHEME Green Energy Company, Madurai acted as resource person and has enlightened the importance of energy conservation and the economy in energy use. The resource person also highlighted that India's culture abounds with environment-friendly and low-resource use practices. Traditionally Indians follow frugal lifestyles which are in harmony with nature and the local conditions. These practices need to be encouraged for minimizing the adverse impact on the environment. The good green deeds are simple, practical steps that every person may perform in day-to-day life that can make a visible difference to the environment. We can practise the actions listed at the individual level, community level, and corporate level, for the overall protection of the environment. It attempts to make people at ground level, aware of the environmental issues in a simplified manner.

About 40 students of B.Com(CA) has participated in the event and got benefited out of it.

REPORT

Ref. No: IQAC/2023 – 2024 / DEC/162

The Institution's Innovation Council and Department of Chemistry (Aided), NGM College, jointly celebrated "National Energy Conservation Day" a motivation program "Save Energy and Live Green". Dr. Indumathy Ramasamy, Assistant Professor & Head, delivered the welcome address.

Chief Guest of the seminar, Dr. A. Logamadevi, Associate Professor & Head, Department of Botany, NGM College, Pollachi to address the importance of energy conservation. By using energy-efficient appliances, turning off lights and electronics when not in use, and properly insulating our homes, we can significantly reduce our energy consumption. Finally she insisted the three R's – Reduce, Reuse and Recycle - should guide our daily choices.

She conclude saving energy and living green is not just a responsibility and it is an opportunity for positive change. Each one of us has the ability to contribute to a healthier planet for current and future generations. By making conscious choices, adopting sustainable practices, and advocating for environmentally friendly policies, we can create a brighter and greener future.

About 5 faculty members and 42 students attended the session and revealed that this session was very useful and motivating in lighting the entrepreneur skills and life skills. Dr. M. Selladurai, IIC Faculty Co-ordinator, proposed a vote of thanks.

ABOUT THE INSTITUTION

Nallamuthu Gounder Mahalingam College (NGMC), affiliated to Bharathiar University, Coimbatore was established in 1957 to fuel the knowledge economy of Pollachi by engaging itself in providing quality education to the youth. College has grown consistently over the years spreading its wings far and wide to offer variety of educational programs under one roof for over 60 years. Two great philanthropists Late Thiru S.P. Nallamuthu Gounder and Late Arutcheelvar Padmahushan Dr. N. Mahalingam having an idealistic vision to impart holistic education to cater to the needs of higher education to those who aspire for excellence in knowledge and values started an organization called Pollachi Kalvi Nilayam in a sprawling campus of 26 acres. Later it renamed as NGMC College in 1957. The college has achieved greater academic distinctions with the introduction of autonomous system from the academic year 1987-88. The college has blossomed into a premier post-graduate and research institution offering 26 UG, 12 PG, 13 M.Phil and 10 Ph.D programs, apart from diploma and certificate courses. The college has been re-accredited by NAAC and is an ISO 9001:2015 certified institution. The total student strength is around 6000. NGMC College celebrated its Diamond jubilee in 2017 and the college has been ranked within Top 100 in India under NIRF 2023. The College has grown into a temple of wisdom, seed-bed of character, model of discipline, training ground of democracy and nursery of great hearts, strong minds, true faith and willing hands. Education in NGMC College plays a pivotal role in enlightening the minds of the youth and enhancing the skills by harvesting all the available resources to empower the nation.

ABOUT THE DEPARTMENT

The ultimate goal of the department is to bring eminence and excellence in teaching learning process, ignite and train young minds by constantly pushing the boundaries, to instigate curiosity and assist towards the holistic development of the students. The department is equipped with dedicated and committed faculty who ensure that the students are able to exercise the maximum potential to achieve academic excellence and build productive career in their chosen field of interest. The staff members play an integral role in intensifying the learning environment by actively involving themselves in diverse fields of research such as Solar cells, Lithium ion batteries, Polymer electrolytes, Luminescent devices, Sensors, Molecular quantum mechanics, supercapacitors etc. and support the institutional mission by way of publications and projects.

ABOUT CONFERENCE

The conference aims to improve and continue communication among the researcher in Theoretical and Experimental Physics-related fields. It is anticipated that this conference will provide an outstanding opportunity for participants to exchange ideas and promote discussions on recent advances in the field of Computational Nanoscience and Energy Storage Technology. The theme of the conference will be "state-of-the-art" performance of nano-materials for future technologies. The scientific deliberations at the conference will cover a wide range of topics in condensed matter physics in the form of invited talks, contributory papers, and panel discussions.

CONFERENCE TOPICS

The scope of the conference will cover but is not limited to the following areas.

- Solar Cells
- Batteries
- Polymer Electrolytes
- Functional Materials
- Nano Materials
- Biophysics
- Thin Film Physics
- Plasma Physics
- Non-linear Dynamics
- Molecular Quantum Mechanics
- Supercapacitors
- Optoelectronics
- Luminescent Materials / Devices
- Thermoelectric Materials
- Energy Materials
- Theoretical Physics
- Applied Physics
- Crystal Growth

TECHNICAL CO-ORDINATORS

Dr. V. SARAVANAN
Assistant Professor
Department of Physics
NGMC College, Pollachi 642001,
Tamil Nadu, India
+91-9698181887
+91-9080962513
iccnest23@gmail.com

Dr. K. SOMASUNDARAM
Assistant Professor
Department of Physics
NGMC College, Pollachi 642001,
Tamil Nadu, India
+91-9095388130
+91-730536599
iccnest23@gmail.com

REGISTRATION FEES

Students	: Rs.300
Research Scholars	: Rs.500
Faculty Member	: Rs.750
Industry Person	: Rs.1000

IMPORTANT DATES

Last date for abstract submission : JUNE 28th 2023
Notification of acceptance : JULY 03rd 2023
Last date of submission of paper : JULY 07th 2023
Last date for Registration : JULY 10th 2023

Interested authors are requested to submit their abstracts through iccnest23@gmail.com
