INTERNATIONAL DAY AGAINST DRUG RALLY

We the department of social work and Pollachi West Police station jointly organized a rally for “**International day against drug**” on **26.06.2023** drug addiction is very big issue in our country. Drug is reason for many problems Example: Cancer, family issues etc. Most of the youngsters are addict towards drug nowadays. The government also taking the necessary step to achieve the goal of a world free drug abuse. 100 above students were participated in the programme. The rally started from NGM College to Pollachi Bus Stand.

Our Rally explains the following information to the Public as well as the Students

Causes of Drug Abuse:

- Sleep problems.
- Chronic pain.
- Financial difficulties
- Divorce of the loss of a loved one
- Long-term tobacco habit

Effect of Drug Abuse:

- Depression
- Personality disorder
- Weight loss
- Suicide
- Poverty
- Health issues

Stopping drug abuse is a complex and challenging process that requires dedication, support, and a multi-faceted approach. If you or someone you know is struggling with drug abuse considers the following steps:

Acknowledge the Problem: The first step is recognizing that there is a problem and being willing to seek help.

Seek Professional Help: Reach out to a medical professional, counselor, therapist, or addiction specialist who can provide guidance and support tailored to your situation. They can help create a personalized treatment plan.

Detoxification: If the drug use is severe, a supervised detoxification process might be necessary. Detox helps the body rid itself of drugs, but it should be done under medical supervision to manage withdrawal symptoms.

Therapy and Counseling: Behavioral therapies, such as cognitive-behavioral therapy (CBT), motivational interviewing, and contingency management, can help individuals address the underlying causes of drug abuse, learn coping strategies, and develop healthier behaviors.

Support Groups: Joining support groups, like Narcotics Anonymous (NA) or SMART Recovery, can provide a sense of community and understanding among people facing similar challenges.

Medication: In some cases, medications can be prescribed to help reduce cravings, manage withdrawal symptoms, and prevent relapse. Consult a healthcare provider to determine if medication is appropriate.

Lifestyle Changes: Adopt a healthy lifestyle by exercising regularly, eating a balanced diet, getting enough sleep, and engaging in stress-reducing activities such as meditation or yoga.

Avoid Triggers: Identify and avoid situations, places, or people that may trigger cravings or relapse.

Develop Healthy Coping Mechanisms: Learn healthier ways to manage stress, anxiety, and other emotions that may have contributed to drug abuse in the first place.

Most of the public people's were observed our rally and pamphlets and encourage our initiatives towards drug abuse. This rally brings some impact against drug among the common people.

DEPARTMENT OF B.COM - BANKING AND INSURANCE

“Remembering the Missile Man – Dr.APJ.Abdul Kalam” on

27.07.2023

The Department of B.Com - Banking and Insurance, Nallamuthu Gounder Mahalingam College, Pollachi organized a “Programme Remembering the Missile Man – Dr.APJ.Abdul Kalam” on 27.07.2023 at 12.00 p.m.

Former President Dr APJ Abdul Kalam was born on October 15, 1931 and raised in Rameswaram in TamilNadu. Dr. APJ Abdul Kalam was elected as India's 11th president from 2002-2007 and died in 2015 while he was delivering a lecture at the Indian Institute of Management Shillong at the age of 84. Kalam re-joined the Defence Research & Development Organisation (DRDO) as director in 1982. There he implemented the Integrated Guided Missile Development Program. Due to this missile program, he earned the nickname “Missile Man.” After 1983, DRDO developed several missiles under the leadership of Dr Kalam. During his tenure in DRDO, he headed the Integrated Guided Missile Development Programme (IGMDP) to develop five different missiles- Prithvi, Agni, Trishul, Akash, Nag.

Kalam was a renowned scientist also known as the Missile Man of India. Dr. APJ Abdul Kalam was elected as India's 11th president from 2002-2007 and died in 2015 while he was delivering a lecture at the Indian Institute of Management Shillong at the age of 84.

Through his motivational speeches, he has inspired countless young minds and adults alike. His emphasis on personal development and the power of learning is a testament to his impact legacy. Several of his books became bestsellers, where he expressed his opinions about the country and ignited the minds of the youth.

“Dream is not that which you see while sleeping; it is something that does not let you sleep.” “The best brains of the nation may be found on the last benches of the classroom.”

The programme started with introductory speech by Dr. M. Jeeva, Associate Professor and Head, Department of B.Com - Banking and Insurance. Dr. M. Manikkachezhian, (Principal Incharge) presenting his speech on Quotes and Achievements of APJ. Totally 103 students from first year, second year and third year were benefited from the programme. Dr. M. Jeeva, Associate Professor and Head and Ms. A. Anandhiprabha, Assistant Professor, co-ordinated the programme.

TEACHER'S DAY

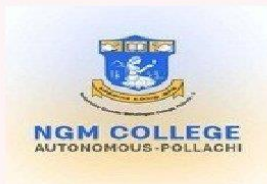

On the 5th of September 2023, the members of the Rotaract Club of NGM College came together to celebrate Teachers' Day in a special manner. To express our gratitude for the relentless hard work and dedication exhibited by the faculty, we presented thoughtful gifts in the form of wall clocks to each department. This symbolic gesture aimed to convey our deep appreciation for the significant role played by the staff in shaping and nurturing each student, molding them into responsible citizens poised for the challenges of tomorrow.

AWARENESS PROGRAMME ON WORLD MENTAL HEALTH DAY

DATE : 10.10.2023

The overall objective of World Mental Health Day is to raise awareness of mental health issues around the world and to mobilize efforts in support of mental health.

The Day provides an opportunity for all stakeholders working on mental health issues to talk about their work, and what more needs to be done to make mental health care a reality for people worldwide.

The theme for World Mental Health Day 2023 is '**Mental health is a universal human right**'. This subject emphasizes the necessity of assuring that everyone, regardless of age, socioeconomic class, or background should have access to high-quality mental health care and support.

In this regard we the department of social work organized mime on Mobile Phone addiction on 10.10.2023. Students from II MSW participated and presented the demo on the impacts and issues of mobile phone addiction through mime in front of the students. This programme creates some impacts of every students and very useful to them to understand the problems faced by the people because of the mobile phone.

An Inter Department Competitions

"InteGreat" - The Queen's Fest

Report

Conducting various competitions motivates students and drives them to put their best effort. It sparks interest, passion and ignites fire within. Healthy competition requires teamwork and positive participation. So, to develop teamwork and positive participation, we the faculty members of our department motivated the students to organize an inter department competition with the title "InteGreat-The Queens's Fest".

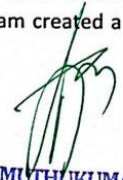

Students, they themselves grouped into nine groups and organized nine different competitions namely Logic Magic, Math Sketching, Math in Art, Mehendi, Speech, Chess, logo creation, Quiz and Debate. More than ten students participated in speech competition and delivered the speech in the topic "Why mathematics is significant to me". Dr. J. Jayasudha, Associate Professor of Mathematics acted as a judge for this Program.

Since both math and art encourage the development of critical and creative thinking skills we gave opportunity to the students to showcase their talents through "Math Sketching ", Math in Art, Logo creation and Mehendi. More than 40 students from various departments had participated, three of our faculty members evaluated and selected the best three for the award of prizes in each category.

Chess promotes thinking skills, concentration, Planning, patience, memory etc. More than twelve team of students had participated and move the coins beautifully with their skills. With the help of Physical education department staff we had organized the tournament in a better manner.

Students enjoyed the Debate on the topic "Learning Mathematics is easy or not" with their arguments. Quiz competition helped to identify their General Knowledge updations and basics of Mathematics. At the end, this program created a good vibrant among the students.

The poster is for the National Mathematics Day 2023, celebrating the 136th birth anniversary of Srinivasa Ramanujan. It is organized by the Department of Mathematics at Nallamuthu Gounder Mahalingam College (Autonomous), Pollachi. The event is titled 'SESSION 2' and 'Events', taking place on 22.12.2023 from 1.00 TO 3.00 P.M. The events include a Quiz (Final Round) and a Debate (Maths is Easy (or) Tough). The quiz masters are M. Jeevapreethi & K. Rajarajeshwari, II M.Sc. Mathematics. The judges are Dr. J. Jayasudha & Dr. V. Chitra, Associate Professors, Department of Mathematics, NGM College. The poster features the college logo, the Institution's Innovation Council logo, and the Bharathiar University logo. The background is a light blue watercolor wash with a purple flower in the bottom right corner.

Seminar on "Applications of Graph Theory"

Report

To mark the birth anniversary of Indian Mathematician Srinivasa Ramanujan, we had the practice of celebrating National Mathematics Day every year on Dec 22nd. This year, in view of National Mathematics Day we had organized a seminar on 'Applications of Graph Theory'. Dr. S. Jeevadoss, Assistant Professor (Sr.Gr), Department of Applied Mathematics and Computational Science, PSG College of Technology, Coimbatore presented applications of Mathematics in various fields and connected the works of Srinivasa Ramanujan. Dr. R. Muthukumar, Principal, NGM College felicitated the function. In the afternoon session, quiz competition was conducted with quiz masters M. Jeevapreethi and K. Rajarajeswari of II M.Sc. Mathematics. At the end, a debate was conducted on the topic 'Maths is easy or tough'. Dr. V. Chitra acted as a judge for the debate and concluded the session with the judgment 'Maths is easy with proper understanding'. Overall, the program enlightened the students in various aspects.

RED RIBBON CLUB (RRC)

Red Ribbon club of NGM College organized an Extension Activity to school students and Staff members on the title of "Awareness Programme on World Mental Health and Polio day" to Government Higher Secondary School, Senjerimalai.

A mental illness is a physical illness of brain that causes disturbances in thinking, behavior, energy or emotion that makes it difficult to cope with the ordinary demands of life. Research is starting to uncover the complicated causes of these diseases which can include genetics, brain chemistry, brain structure, experiencing trauma and/or having another medical condition, like heart disease.

World Polio Day was established to eradicate polio worldwide and to ensure a polio-free future for everyone, develop high immunization coverage, implement high-quality observation to detect any presence of the virus and plan for an outbreak response. Every year on 24 October, we observe World Polio Day to raise awareness of the importance of polio vaccination to protect every child from this devastating disease, and to celebrate the many parents, professionals and volunteers whose contributions make polio eradication achievable. Our NGM RRC Students gave Valuable insights to school students about both mental health and Polio.

Around School Students were Actively Participated along with Staff Members. The Event was organized by Dr. R. Jayaprakash & Ms. Gayathiri, Assistant Professors, Co-ordinator of RRC, NGMC.

Date: 27.10.2023 Venue: Government Higher Secondary School, Senjerimalai.

National Youth Day – 12.01.2024

National Youth Day 2024 is celebrated on January 12th to honour the birthday of Swami Vivekananda, one of India's greatest spiritual and social leaders. The day is dedicated to inspiring young minds, promoting education and encouraging community service. The theme for National Youth Day 2024 is "Arise, Awake, and Realise the Power You Hold."

On this day, his exemplary contribution to the field of education and educational institutions are celebrated. The celebration provides an opportunity for educating young people about social consciousness, leadership, and responsibility through a variety of talks, events, and cultural events. The students are motivated towards the famous quotes of Swamiji.

The Program started with introducing speech by Dr. M. Jeeva, Associate Professor and Head, Department of B.Com - Banking and Insurance. Raavithya .T (22-BI-41) spoke about the "Importance of National Youth Day" followed by Abisha .J (23-BI-19) presenting her speech on "Contribution of Vivekananda to the Society". Dr. M. Jeeva Associate Professor and Head, Dr. R. Rajasekaran, Assistant Professors were the coordinators for this program.

Pongal Celebration

Report

Pongal festival is basically a harvesting festival or thanks giving festival because this festival is celebrated to thank sun god and lord Indra for helping farmers in getting better-yielding crops. This celebration symbolizes gratitude, prosperity and the spirit of togetherness among the students. Hence we students and faculty members of Department of Mathematics celebrate the Pongal on 12/01/2024 to thank god Surya by cooking pongal in the ground. After that students and staff prayed god Surya followed by Kummi Aattam, it is often danced during festival by south Indian women in circle. Then Sweet pongal was distributed to all students and staff.

PI-day celebration-2024

Report

We, department of Mathematics have a practice of celebrating Pi-Day on March 14th every year. This year we invited a renowned mathematician Dr. N. Murugesan, Associate Professor, Department of Mathematics, Government Arts College (Autonomous), Coimbatore to give a special lecture on "The essence of assumptions in Mathematics". The day started with prayer song by Ms. M. KarpagaSubasree and Ms. L. Kavya. Next, Dr. V. Inthumathi, Associate Professor and Head, Department of Mathematics, NGM College, Pollachi gave a beautiful apt welcome address with the series of quotes. She also congratulated II M. Sc. Students for preparing the mathematics magazine Mathzine-23. Felicitation address was given by Dr. R. Muthukumar, Principal, NGM College, Pollachi. He related each and everything to mathematics and explained about the wonders of mathematics. Next, prizes for various competitions which were conducted previously for Pi-Day were distributed to students by Chief guest, Principal and Head of the department. Next magazine Mathzine-23 was released by our chief guest and principal received it.

Then our chief guest Dr. N. Murugesan explained the essence of assumptions in Mathematics. Finally vote of thanks was given by Dr. M. Malieswari, Assistant Professor of Mathematics, NGM College, Pollachi. She thanked everyone on the dice and all the students for bringing this PI-Day celebration a grand success.

WORLD SOCIAL WORK DAY

Date: 20.03.2024

Venue: Nallamuthu Gounder Mahalingam College, Pollachi

INTRODUCTION

On the 20th of March 2024, in the First MSW classroom, attendees were privileged to have Ms. Helena Selvakodi as the chief guest. Ms. Selvakodi delivered an insightful session shedding light on psychometrics and its relevance in understanding mental health issues like depression and phobias.

The chief guest elaborated on the diverse applications of psychometrics in various domains, including education, clinical psychology, human resources, and personality assessment. Psychometric tests help in evaluating cognitive abilities, personality traits, career interests, and emotional intelligence. They provide valuable insights for personal development, career planning, and recruitment processes.

Moving forward, Ms. Selvakodi delved into the topic of depression. She elucidated that depression is a common mental health disorder characterized by persistent sadness, loss of interest or pleasure, feelings of worthlessness or guilt, disturbed sleep or appetite, and poor concentration. Depression can significantly impair an individual's functioning and quality of life if left untreated. Ms. Selvakodi highlighted the importance of early identification and intervention in managing depression effectively.

Additionally, the session touched upon phobias, which are intense and irrational fears of specific objects, situations, or activities. Ms. Selvakodi explained that phobias can cause significant distress and impairment in daily functioning. Common types of phobias include fear of heights (acrophobia), enclosed spaces (claustrophobia), and social situations (social phobia). Psychometric assessments can aid in diagnosing specific phobias and developing appropriate treatment plans, such as exposure therapy and cognitive-behavioral techniques.

CONCLUSION

In conclusion, Ms. Helena Selvakodi's session provided valuable insights into the realm of psychometrics and its applications in understanding mental health issues like depression and phobias. Attendees gained a deeper understanding of how psychometric assessments can contribute to personal and professional development, as well as the importance of early intervention in addressing mental health concerns. The session served as a reminder of the significance of promoting mental well-being and fostering a supportive environment for individuals facing psychological challenges.

The class conducted about 'Mental Health' was very helpful. It provides knowledge about mental awareness. It creates an awareness of Psychiatric Disorders. Especially for the problems in affair and love. Thanks for giving such a wonderful class. It helps to treat the issues in this Adrenaline Period.
