It is crucial for all of us to take responsibility and uphold the cleanliness of our campus. Staff and students are instructed to

- Create a plastic-free campus by reducing and eventually eliminating the use of plastic materials within the campus.
- Refrain from littering in the classrooms and playgrounds.
- Practice responsible waste disposal by using designated bins for segregating recyclable and non-recyclable items.

Let us work together to keep our campus clean and promote a healthy living and learning environment for all. Your cooperation in this matter is greatly appreciated.
