Ban on Single-Use Plastics

The college prohibits the use of single-use plastic items, including but not limited to plastic bags, straws, bottles, cutlery, and packaging materials.

Alternative materials such as paper, cloth, bamboo, or biodegradable products must be used in place of plastics.

All campus vendors and procurement services are required to adhere to the plastic-free policy and provide alternatives to plastic products.

The campus will provide adequate facilities for the segregation of waste at source.

The college will conduct regular educational campaigns to raise awareness about the impact of plastic pollution and the importance of this policy.
