Celebrates
INTERNATIONAL ACCOUNTING DAY

International Accounting Day is celebrated on 10th November every year. On this day in 1494, Luca Pacioli, an Italian accountant and mathematician, who reportedly collaborated with Leonardo Da Vinci, published his first book. In this book, Pacioli included the first written account of double-entry book keeping, which had been in use for many years. Pacioli's description of double-entry book keeping changed the face of accounting and it's still used today.

Happy International Accounting Day!

RED RIBBON CLUB (RRC)

Red Ribbon club of NGM College organized an Extension Activity to school students and Staff members on the title of "Awareness Programme on World Mental Health and Polio day" to Government Higher Secondary School, Senjerimalai.

A mental illness is a physical illness of brain that causes disturbances in thinking, behavior, energy or emotion that makes it difficult to cope with the ordinary demands of life. Research is starting to uncover the complicated causes of these diseases which can include genetics, brain chemistry, brain structure, experiencing trauma and/or having another medical condition, like heart disease.

World Polio Day was established to eradicate polio worldwide and to ensure a polio-free future for everyone, develop high immunization coverage, implement high-quality observation to detect any presence of the virus and plan for an outbreak response. Every year on 24 October, we observe World Polio Day to raise awareness of the importance of polio vaccination to protect every child from this devastating disease, and to celebrate the many parents, professionals and volunteers whose contributions make polio eradication achievable. Our NGM RRC Students gave Valuable insights to school students about both mental health and Polio.

Around School Students were Actively Participated along with Staff Members. The Event was organized by Dr. R. Jayaprakash & Ms. Gayathiri, Assistant Professors, Co-ordinator of RRC, NGMC.

Date: 27.10.2023 Venue: Government Higher Secondary School, Senjerimalai.
