WELCOME TO SPJMR !!

The Suraj Punj Journal for Multidisciplinary Research, e-ISSN : 2394-2886 is a monthly publication, with peer arbitration in Engineering, Science and Management. SPJMR is an open-access, Multidisciplinary journal, driven by the belief that all types of knowledge must be globally available. Its target audience are original researchers who dialogue with the interdisciplinary theme in science, technology and management. The journal publishes unpublished research, of recognized theoretical rigor, intellectual and scientific relevance and that involves multidisciplinary discussions that revolve around four main thematic axes: Science, Engineering and Management.

Suraj Punj Journal for Multidisciplinary Research is an open access journal, which means that all articles are available on the
