2.1.2 Average percentage of seats filled against reserved categories (SC, ST, OBC, Divyangjan, etc. as per applicable reservation policy) during the last five years (exclusive of supernumerary seats).

To ensure equity and inclusivity regardless of caste, the Indian education system has implemented a reservation quota. This policy reserves a set percentage of seats in all educational institutions for socially and economically backward students, as well as those belonging to various categories such as Scheduled Caste (SC), Scheduled Tribes (ST), and Other Backward Class Communities (OBC). Nallamuthu Gounder Mahalingam College strictly adheres to the admission guidelines established by the State Government and UGC.

As our institution belongs to an aided non-minority category, **rule of reservation applicable to 90% of the seats are designated in accordance with the State Government Reservation Policy for aided programmes, while 50% are allocated for self-financed programmes.** These reservations are structured as per the State Government Policy, with percentages allotted to ST (1%), SC (18%), and OBC (50%) categories. Nallamuthu Gounder Mahalingam College also adheres to the State Government Policy concerning the allocation of unfilled seats within the community quota, as specified in G.O. (D) No: 161.
