REPORT

PROFESSIONAL DEVELOPMENT PROGRAMME FOR TEACHING FACULTY ON “ANNUITY PRODUCTS OF LIC”

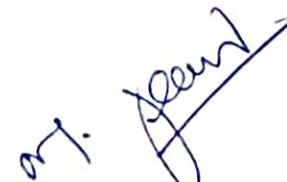

Department of B.Com - Banking and Insurance, Nallamuthu Gounder Mahalingam College, Pollachi organised an Professional Development Programme for Teaching Faculty on “Annuity Products” on 15.11.2022 in D-102.

Dr. M. Jeeva, Associate Professor and Head, Department of B.Com - Banking and Insurance welcomed the gathering. Dr. R. Muthukumar, Principal, Nallamuthu Gounder Mahalingam College delivered the Presidential address. Mr. S.Tamilselvan, Branch Manager, Life Insurance Corporation of India, Pollachi – I was the resource person.

In his presentation he gave insights on the famous Pension Schemes available in LIC. He explained about the highlights of Jeevan Akshay-VII, New Jeevan Shanti, Saaral Pension Scheme and LIC’s New Pension Plus plans. These policies are most suited for senior citizens and those planning for a secured future. LIC's New Pension Plus Plan, is a unit-linked, non-participating individual pension plan. The plan intends to build a corpus through systematic and disciplined savings, which can be converted into regular income after maturity. In addition he discussed about the tremendous growth of LIC and the services offered by them. He explained the various job opportunities available in life insurance industry for the students.

Dr. R. Muthukumar, Principal, Mr. R. Ragunathan, Manager, Dr. S. Saravana Babu, Dean - Academic, Heads and faculty members of various departments graced the occasion. 25 faculty members benefited from this programme. The HOD and the faculty members Ms. A. Anandhiprabha, Ms. A. Gomathi, Ms. V. Poornima and Ms. M. Shanmugapriya made necessary arrangements. Finally Ms. A. Anandhiprabha proposed the vote of thanks.

Warm Greetings!

The Department of Social Work is organizing a Professional Development Training Programme on "Structural Equation Modelling - using Smart PLS ((Partial Least Square Analysis) for Research Model Validation in Social Sciences" for the Social Science faculty members of our college on 07.11.2022 (~~Thursday~~) from 10.30 am to 3.30 pm at Alkondan Hall. As Structural Equation Modelling (SEM) using Smart-PLS is extensively used in the research at international level and article publications using PLS are highly recognized by the publishers, this training will provide an insight for our faculty to use the same in their research endeavours. In this regard, the HOD's are requested to depute one faculty for their department to attend the training programme.

Introduction

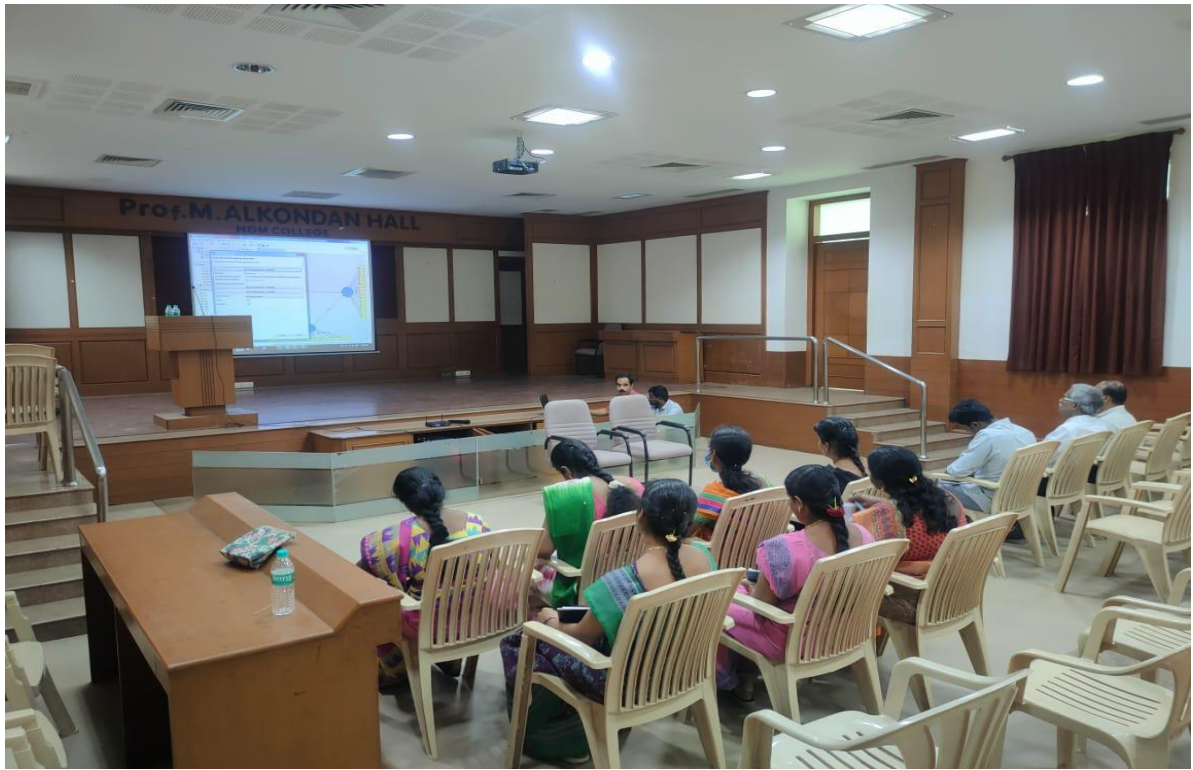

Partial least square workshop for research was organized by HOD of social work department for faculties on 07-11-2022.

- From the department of social work, the program was facilitated for faculties of NGM College.
- Professional development program on structural equation modeling. Using smart PLS analysis from research model validation.
- The international level program was conducted on the motive of build smart use of research.

Topic covered in the workshop

- 1) Structural equation modeling – which explains the relationship among multiple variable
- 2) Justification on usage of PLS – SEM
 - a) Smaller sample sizes.
 - b) Prediction of explanation of target constructs.
 - c) No data normality.
- 3) Endogenous variable and exogenous variable.
- 4) Modeling in PLS.
- 5) Reporting measurement model.
- 6) Presenting measurement items.
- 7) Various types of reflective.

P. Abibu Rahman,
Research Scholar,

Pollachi.

This session is very useful for me, i think.
SEM is a tool to measure the variables before the
session. But now i have more knowledge about
SEM. Then, this is more useful for my ^{next} paper.

Thank you.

First of all, I would like to thank Dr. L. Ranjit sir, for providing the opportunity to attend the program on professional training program for faculty development. (7/11/2022)
It was really informative and essential one to understand about validity and reliability. If we understand the the basic concept of how structuring the question and to know the way how properly we have to work out the data with the PLS software.

Overall, the program was amazing and very useful one for specifically the researchers who can gain more knowledge about the research.

Thank You for the Respected principal, manager, Deans and HODs

Respected sir,

The training programme was very excellent and as a scholar I have learned new insights and knowledge in SEM analysis. You have explained each and every aspects in detailed manner. It was very useful for my Ph.D programme. My guide also told me to do SEM analysis in my project. now it is very much useful. Thank you so much sir. If, further doubts I will clarify from you sir.

Thank you.

Objectives:

- To give overview about “Instruments”
- To learn laboratory Instruments handling and operating.
- To create awareness for importance of Instruments maintenance

Training program Summary

PG and Research Department of Botany organized a ‘Training Program on Instrumentation handling and Maintenance’ ‘on 21st October 2022 at PG Botany Laboratory NGM College, Pollachi. The Training program was conducted by the staff members of PG and Research Department of Botany. They clearly explained and given on training about Instruments handling and maintenance. Flowingly the General instrumentation operating techniques were conducted. The Training brought together over 10 non-teaching staff members from UG and PG Departments of Physics, Chemistry, Botany and Zoology of NGM College. The Training was handled by Staff members of PG and Research Department of Botany, Dr. R. Rakkimuthu, Dr. P. Sathishkumar, Dr. A.M. Ananda kumar, Mrs. D. Sowmiya. The training program provided an interactive atmosphere between the non-teaching staff members.

The Knowledge enhancement Program was handled by Staff members of PG and Research Department of Botany, Dr. R. Rakkimuthu, Dr. P. Sathishkumar, Dr. A.M. Anandakumar, Mrs. D. Sowmiya. The program provided an interactive atmosphere between the teaching staff members. At the end of the program tree saplings were provided for all participated staff members.

Evaluation

Direct feedback from attendees was extremely positive. The explanation and the inputs given by the staff members were highly valued. Participants appreciated for being able to clarify doubts regarding medicinal plants.
