HUMAN RIGHTS DAY – REPORT

Department of History, Nallamuthu Gounder Mahalingam College, Pollachi, celebrated the Human Rights Day on 10th December 2021. On this day in 1948, the United Nation's General Assembly adopted the Universal Declaration of Human Rights Day. The day is celebrated to improve the physical, social, cultural and spiritual well being and welfare of the vulnerable group of people globally. The few students presented the issue of lack of awareness among the illiterate and poor about their basic rights and how they are repressed by the powerful for their selfish motives. The students made it loud and clear through their effective presentation that to deny people their human rights is to challenge humanity. The human rights belong equally to each of us and bind us together as a global community with the same ideals and values. Theme for the celebration is "All Rights for all". Based on this the students gathered and took the Pledge on Human Rights.

The event started at 10:00 am. 500 seedlings of plants were distributed by a total of 20 NSS volunteers (boys and girls together, totaling 10 each). The operation on the plantations was seen as necessary to maintain environmental balance. Our volunteers assisted in dividing up the numerous fruit plant saplings that NGM College gave.

This plant is regarded the best leafy vegetable and is therapeutic. It is G.Kaliyapuram's property.

The pupils were educated on the value of cleanliness and inspired to plant as many plants as they could while also caring for them.

There has been increased awareness of the nutritional value of moringa leaf powder, the health advantages of eating drumstick as a vegetable, and the significance of guava and other fruits for boosting immunity, in addition to a higher plant diversity index and more uniform distribution in the farming area.

Food would not exist in a world without plants. Proteins, lipids, and carbohydrates all contain carbon, which comes from photosynthesis in plants. Everything humans consume, including meat from animals (which eat plants), is produced by plants harnessing the energy from sunlight to take carbon dioxide and turn it into intricate carbon-containing molecules.

DEPARTMENT OF B.COM - BANKING AND INSURANCE

"PROGRAM IN COMMEMORATION OF WORLD CONSUMER RIGHTS DAY"

ON 15.03.2022

The department of B.Com - Banking and Insurance observed World Consumer Rights Day on 15.03.2022, this day is celebrated on March 15 globally to acknowledge and recognise the rights of consumers. This day was inspired by a speech by John F. Kennedy (former US President) given on Consumer Rights on 15 March 1962 while speaking at the US Congress. Consumers are exploited and suffer badly due to the unfair trade practices. So the consumer movement tries to create awareness among consumers about their rights and ways of redressal available to them. The theme for World Consumer Rights Day 2022 is "Fair Digital Finance".

We as consumers need to be aware of our rights and act consciously. The students are consumers of future so they are to be educated in this regard. In this context, the Department of B.Com - Banking and Insurance, Nallamuthu Gounder Mahalingam College, Pollachi organized a program in "Commemoration with the World Consumer Day" on 15th March 2022 in Room D 104 at 12:15 p.m. to 1.15 p.m. The program started with introductory speech by Dr. M. Jeeva Associate Professor and Head, Department of B.Com - Banking and Insurance. Jayshree.T, 20-BI-22, spoke on the topic "Consumer Rights", Rithik Charan.J, 20-BI-09 discussed about the "Trends and Cases of Consumer Rights", Shalini.K, 21-BI-32 spoke on the "History of Consumer Rights" and Gayathry. S, 19-BI-38, discussed about "Responsibilities of Consumer". Dr. M. Jeeva, Associate Professor and Head and Ms. V. Poornima, Assistant Professor coordinated the program.

Programme in World Health Day – 07.04.2022

Each year 7th April, a global health awareness day that draws attention to a health topic of concern to the world. The theme for World Health Day 2022 is "Our Planet, Our Health". The world health day symbol in 2022 is hexagonal with caduceus.

In 1948, the World Health Organization (WHO) held the First World Health Assembly. The Assembly decided to celebrate 7 April of each year, with effect from 1950, as the World Health Day. The main aim of this day is to raise awareness about the ongoing health issues and the importance of health among the students community. The day is also used as an opportunity to spread awareness about the overall health and well-being of people. To create the awareness about the environment among the students, WHO organized by the department.
