HUMAN RIGHTS DAY – REPORT

Department of History, Nallamuthu Gounder Mahalingam College, Pollachi, celebrated the Human Rights Day on 10th December 2021. On this day in 1948, the United Nation's General Assembly adopted the Universal Declaration of Human Rights Day. The day is celebrated to improve the physical, social, cultural and spiritual well being and welfare of the vulnerable group of people globally. The few students presented the issue of lack of awareness among the illiterate and poor about their basic rights and how they are repressed by the powerful for their selfish motives. The students made it loud and clear through their effective presentation that to deny people their human rights is to challenge humanity. The human rights belong equally to each of us and bind us together as a global community with the same ideals and values. Theme for the celebration is "All Rights for all". Based on this the students gathered and took the Pledge on Human Rights.

A One day webinar on “**Intuitive Perception and Scientific Discoveries**” by the Department of Chemistry, Nallamuthu Gounder Mahalingam College, Pollachi on 28th February 2022 in the interest of imparting the importance of scientific discoveries, an essential part of science education and the superficial knowledge on history of the discoveries, virtually.

Participants Details:

A total of 155 students from the Department of Chemistry (D1, D2 & D3 Chemistry) and Department of Physics (D2 Physics), Nallamuthu Gounder Mahalingam College, Pollachi, Coimbatore (UG Chemistry and Physics students) were benefited.

Description of the Workshop:

Dr. R. Saravanakumar, Asst. Professor, Dept. of Chemistry, VIT Chennai, delivered a talk entitled “**Intuitive Perception and Scientific Discoveries**” on the occasion of National Science day, 28.02.2022. The talk begins around 12.15 pm and extended up to 1.15 pm. Students and faculties were participated in the talk.

In the talk he discussed about pathway towards discovery of cis-platin an anticancer drug. Serendipitous discovery of cis-platin was elegantly presented. From conception to mechanism was discussed in detail. The story behind the discovery was highly thought provoking to students and faculties. I am convinced that the talk might instigate the young minds to chase their dream. I believe that this talk met the objective of National Science Day 2022.

The entire programme was co-ordinated with the support of the Head, faculty and Ph.D research scholars of the Department of Chemistry, Nallamuthu Gounder Mahalingam College, Pollachi.

DEPARTMENT OF B.COM - BANKING AND INSURANCE

"PROGRAM IN COMMEMORATION OF WORLD CONSUMER RIGHTS DAY"

ON 15.03.2022

The department of B.Com - Banking and Insurance observed World Consumer Rights Day on 15.03.2022, this day is celebrated on March 15 globally to acknowledge and recognise the rights of consumers. This day was inspired by a speech by John F. Kennedy (former US President) given on Consumer Rights on 15 March 1962 while speaking at the US Congress. Consumers are exploited and suffer badly due to the unfair trade practices. So the consumer movement tries to create awareness among consumers about their rights and ways of redressal available to them. The theme for World Consumer Rights Day 2022 is "Fair Digital Finance".

We as consumers need to be aware of our rights and act consciously. The students are consumers of future so they are to be educated in this regard. In this context, the Department of B.Com - Banking and Insurance, Nallamuthu Gounder Mahalingam College, Pollachi organized a program in "Commemoration with the World Consumer Day" on 15th March 2022 in Room D 104 at 12:15 p.m. to 1.15 p.m. The program started with introductory speech by Dr. M. Jeeva Associate Professor and Head, Department of B.Com - Banking and Insurance. It is not your job to save everyone. Some people are not even ready to be helped. Focus on being of service to those who are, and be wise and humble enough to know when the best service you can offer is to guide them toward help in another direction.

We greeted faculties and students and we take a pledge on the world social work day. We distributed sweets to the staff, students and workers in our college.

B.Com – Banking and Insurance

World Water Day - 22.03.2022

The department of B.Com – Banking and Insurance observed “World Water Day” on 22.03.2022. It is an annual United Nations observance day held on 22 March that highlights the importance of fresh water. It was observed since March 1993 and focused on the importance of freshwater.

The day is used to advocate for the sustainable management of freshwater resources to students community. The relevant issues include water scarcity, water pollution, inadequate water supply, lack of sanitation and the impacts of climate change. The day brings to light the inequality of access to wash services and the need to assure the human right to water and sanitation. World Water Day celebrates water and raises awareness of the 2.2 billion people living without access to safe water. It is about taking action to tackle the global water crisis.

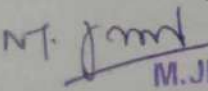

Theme for 2022

This 2022, the focus is groundwater, an invisible resource with an impact visible everywhere.

Groundwater is water found underground in aquifers, which are geological formations of rocks, sands and gravels that hold substantial quantities of water. Groundwater feeds springs, rivers, lakes and wetlands, and seeps into oceans. Groundwater is recharged mainly from rain and snowfall infiltrating the ground. Groundwater can be extracted to the surface by pumps and wells.

Life would not be possible without groundwater. Most arid areas of the world depend entirely on groundwater. Groundwater supplies a large proportion of the water that is used for drinking, sanitation, food production and industrial processes. It is also critically important to the healthy functioning of ecosystems, such as wetlands and rivers. To inculcate the importance of water and saving of water among the students this programme was conducted.

The introductory speech was given by Dr. M. Jeeva. The students were spoken about the various topics of water. Mr. A. Raghavkrishna. (21-BI-10) spoken about “History of World Water Day” followed by Mr. M. Karthick (20-BI-02) focused on “Benefits of Water”, Ms. N. S Divya Sri (20-BI-21) delivered on the topic “Purpose of Saving Fresh Water”, Mr. V. Kaleeswaran (19-BI-08) talked about “Source of Water” and finally Ms. N. Udhayadharshini (19-BI-57) focused on “Disadvantages of Mineral Water”. This event was coordinated by Dr. M. Jeeva, Head of the Department and Ms. V. Poornima, Assistant Professor of the Department.

WORLD WATER DAY

WATER IS THE DRIVING FORCE OF ALL NATURE

Every year we celebrate the “World Water Day”. We celebrated the day with utmost sincerity. Water is the most precious resource for arrival. But nowadays, the scarcity of water is really a threat to the whole world. This year our school selected the theme “Do not waste water”. The aim of the programme was to aware the students about the water crisis around the world. Surveys reveal that 80% of all waste water is not reused. If water were reused, the shortage of water could be reduced to some extent.

“Programme in Commemoration of Dr. Ambedkar Jayanthi” on 13.04.2022

National important days are celebrated to spread awareness and consciousness about important aspects like patriotism, environment, human rights, equality, women rights and others. Likewise the department organizes programmes on the birth and death anniversary of national leaders to invoke the patriotic spirit and also the cause for which they strived.

Ambedkar Jayanthi is celebrated annually on April 14 in India. The celebration pays tribute to the life of the renowned polymath, jurist, economist, and civil rights activist — Dr. Bhimrao Ramji Ambedkar. He is fondly known as the “Father of the Indian Constitution” and was instrumental in shaping the democratic structure of India. On April 14, 1928, activist Janardan Sadashiv Ranapisay publicly celebrated Ambedkar’s birthday in Pune. This day is now known as “Ambedkar Jayanti.” Across the country, the day is also observed as “Equality Day”. Students are the future of India so they are introduced to cause for which Dr. Ambedkar strived. Throughout his life, Ambedkar advocated for equality, particularly for the underprivileged social classes and women. He incorporated his vision of equal rights for all into several constitutional laws.

The Department of B.Com - Banking and Insurance, Nallamuthu Gounder Mahalingam College, Pollachi organized a “Programme in Commemoration of “Dr. Ambedkar Jayanthi” on 13.04.2022 in D -102 at 4p.m. The programme started with introductory speech by Dr. M. DEPARTMENT OF B.COM - BANKING AND INSURANCE

Programme in World Hypertension Day – 17.05.2022

The Hypertension Day was celebrated every year on 17th May. The department takes meticulous efforts in educating the students about various health issues that might arise in future and the ways in which we can prevent them. i.e “Prevention is better than Cure”. One of nine people suffers from Hypertension today. It is one of the steering causes of cardiovascular diseases. Several surveys from many countries around the world point out that the public’s awareness of their blood pressure levels was very poor. High blood pressure can often be prevented or reduced by eating healthily, maintaining a healthy weight, taking regular exercise, drinking alcohol in moderation and not smoking. So in order to create awareness about blood pressure levels “World Hypertension Day” is celebrated.
