Nallamuthu Gounder Mahalingam College

(An Autonomous Institution, Affiliated to Bharathiar University)

90, Palghat Road, Pollachi - 642001, Coimbatore, Tamil Nadu, India.

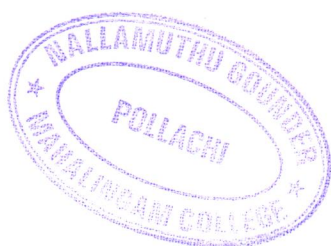

95th Rank in NIRF – 2023 among Colleges in India.

About the College

Nallamuthu Gounder Mahalingam (NGM) College, Pollachi was established in the year 1957 and it is an autonomous institution affiliated to Bharathiar University, Coimbatore. The college has been spreading its wings far and wide to provide a variety of educational programmes under one roof for around 61 years. Over the years, the College has been developed into a premier teaching and research Institution, offering 41 different programmes including UG, PG and research. The College has 262 staff members and 5416 students. The benevolence of the beloved Patron Arutchelvar Dr. N. Mahalingam, the President Dr. B. K. Krishnaraj Vanavarayar and the Secretary Shri M. Balasubramaniam has transformed the College into a Centre of Excellence in higher learning and active research. The academic excellence, expert faculty, state-of-the-art research facilities, commendable ISR activities and promising placements are the strength of the college. The NAAC has awarded 'A' grade twice and it is also an ISO 9001:2015 certified institution.

About the Department

The Department of Botany was established during the year 1972 with an undergraduate course in botany and the post graduate course was introduced during the year 2015. The course is highly integrative in nature in order to ensure vertical and horizontal mobility of students. Curricular contents range from the Classical Botany to Applied Botany including Plant Biotechnology, Molecular Biology, and Bioinformatics and Bio nanotechnology. The infrastructure and the expertise available in the department have elevated it into a recognized research centre of Bharathiar University to carry out research in both fundamental and applied fields of Botany to award M.Phil and Ph.D. (full time/part time) degrees.

About the Workshop

The importance of plant taxonomy has now been realized more than ever before, especially in the context of conservation and sustainable utilization of plant resources. Further, research in any advanced branch of plant science will get relevance only when the correct identities of plants are established. Thousands of species are still lying unidentified and are in need of experts in the field of plant taxonomy. Therefore the convention on Biological Diversity gave a thrust to revitalize and strengthen taxonomy in 21st century. Now-a-days, there is a sharp decline in plant taxonomists who have specialized in this field. India needs more taxonomists to document the whole diversity existing in India. This workshop has been proposed to create awareness on field identification of plant systematics.

Objectives of the Workshop

- To provide an overview of floristic diversity of India and create awareness for developing expertise in plant taxonomy
- To familiarize the participants in the area of plant systematics
- Provide hands on training on identifying plants
- To Upgrade the participants in field identification (Anaimalai hills, Western Ghats)

Who can participate?

Interested and aspiring students, scholars and teaching staff of life sciences from any institution.

Registration

For confirmation of registration send e-mail to ngmflora@gmail.com on or before 29th September, 2018.

Fees details

Before 29.09.2018 - Rs. 250/-
After 29.09.2018 - Rs. 300/-

RESOURCE PERSON

Dr. R. RAMASUBBU, M.Sc., M.Phil., Ph.D.
Assistant Professor of Biology,
Faculty of Rural Oriented Sciences,
The Gandhigram Rural Institute -
Deemed University, Gandhigram
Dindigul District, Tamil Nadu.

NATIONAL LEVEL TRAINING - WORKSHOP ON PLANT TAXONOMY PROGRAMME SCHEDULE

Day 1 : October 5th, 2018 (Friday)

09:30 AM - 10:00 AM : Registration

10:00 AM - 10:30 AM : Inauguration

Prayer Song : PG Botany students

Welcome Address : Dr. R. Rakkimuthu
Asst. Prof. & Head
PG & Research Dept.
of Botany,
NGM College.

Inaugural Address : Dr. P.M. Palanisamy
Principal, NGM College

Technical Session - 1

10:30 AM - 12:00 PM

Dr. R. RAMASUBBU
The Gandhigram Rural Institute

Title : Taxonomy of Angiosperms :
Principles & Practices

12:00 PM - 01:00 PM : Lunch Break

Technical Session - 2

01:00 PM - 02:30 PM

Dr. R. RAMASUBBU
Gandhigram Rural Institute

Hands on Training

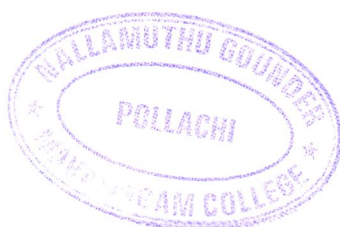

Day 2 : October 6th, 2018 (Saturday)

10:00 AM - 02:30 PM

Field trip to Anaimalai hills, Western Ghats

Valedictory Session

Venue Prof. M. Alkondan Hall, NGM College
