BOOTCAMP PROGRAM WITH IBM – 2024 – 2025

With Immense Pleasure, Training & Placement Cell and Department of CS with AI & ML & Data Analytics signed MoU for *IBM Skills Build Program (**Free Digital Learning Platform**) (a part of IBM's CSR initiative) through EDUNET Foundation. **IBM SkillsBuild** is a free digital platform that gives every student and teacher, an opportunity to develop technology and professional skills regardless of your background, education, or life experiences.

IBM SkillsBuild for NGM College which is a **Free Digital Learning Platform** (part of IBM's CSR initiative), an innovative program designed to equip your students with the essential skills needed to thrive in today's rapidly evolving job market. In the current digital age, industries and companies heavily rely on advanced tools and technologies to drive their businesses forward. However, we often face limitations in providing our students with access to these industry tools due to their high costs and complexity. This poses a significant challenge in ensuring that our students are well-equipped to navigate the evolving landscape of the job market.

IBM SkillsBuild for NGM College has been carefully designed to address this challenge by offering a comprehensive program that incorporates hands-on cloud-based applications. By participating in IBM SkillsBuild, our students will gain a competitive edge and be well-prepared to meet the demands of the modern job market. They will have hands-on experience with industry tools, making them valuable assets to potential employers. Moreover, this program aligns with our college's commitment to providing quality education and empowering our students for their future success.

Eligible Students: Final Year of B.SC IT, CT, CS, BCA (Aided & SF) and I, II & III Year B.Sc CS with AI & ML and B.Sc CS with Data Analytics
