All HODs' - AIDED & SF Departments,

CAREER COUNSELLING PROGRAM – 2025 BATCH
SKILL DEVELOPMENT JOBINARS.

Training & Placement Cell in Association with TCS is Organizing Career Counseling Program & Skill Development Jobinars in the topic of Data Analyst vs Data Engineer vs Data Scientist to our IT Cluster Final Years 2022 – 2025 Batch UG & PG (Aided & SF) Students on 10th October, 2024. The session will be handled by the industry experts of TCS. This workshop is exclusively for the students to improve their knowledge in latest trends of the language, to prepare themselves for interviews and become familiar with industrial needs. This is a virtual session for all Final Year students of IT Cluster. We believe that this workshop will provide you with valuable insights and enhance your skills in Data Analyst.

This is a wonderful opportunity for our students to explore the distinct roles of Data Analyst, Data Engineer, and Data Scientist. By understanding the skills needed for each role, they can make informed choices about their future in the exciting world of data.

Featured Speakers:

Ayan Debnath
Engineer, Artificial Intelligence
TCSiON, TCS

Session Date & Time: 10.10.2024 @ 05.00pm – 06.30pm

Session Insights:

1. Uncover the unique roles of Data Analyst, Engineer & Scientist.
2. You will learn about the essential skills & tools that set each path apart.
3. You will gain insights into the growth opportunities & industry demands for each profession.
