Report of the Event

"One-Day Peer Learning & Skill Development Programme"

The UG Department of Computer Technology, NGM College, Pollachi, successfully organized a One-Day Peer Learning & Skill Development Programme titled "Peer Learning & Skill Development Programme on New Technology" on 24th July 2025 at Prof. Alkondan Hall. This initiative aimed to foster peer-to-peer learning and equip students with awareness and practical insights into recent technological advancements.

As part of the event, seven students from the CT department presented on various trending and emerging topics in the field of Computer Science and Technology. These student-led presentations created a platform for interactive knowledge sharing and skill enhancement among peers.

The topics covered included:

Robotics

Git and GitHub

Cyber Security

Internet of Things (IoT)

Android Development

And other latest developments in technology

The session encouraged active student participation, collaborative learning, and critical thinking. It served as a valuable opportunity for students to showcase their research, presentation skills, and understanding of new-age technologies.

The department extends its appreciation to the student presenters for their enthusiastic participation and to all attendees for making the programme a productive and enriching experience. Guest Speaker Details :
