Report of the Event

One Day Seminar & Skill Development Programme on

“உயரப்பறந்து கொண்டாடுவோம்”

The UG Department of Computer Technology at NGM College, Pollachi, successfully organized an One Day Seminar and Skill Development Programme on the theme **“உயரப்பறந்து கொண்டாடுவோம்”** was organized on 25th September 2025. The event was held at Prof. Alkondan Hall with the objective of motivating students to aim high in life and to equip them with essential skills for personal and professional growth. The programme emphasized the importance of self-development, creativity, and dedication in achieving success. The event began with an inaugural session that included a welcome address and presidential remarks, followed by a keynote address that inspired the participants to dream big, work hard, and celebrate their achievements with confidence.

The seminar featured a series of sessions such as motivational talks, practical workshops, and interactive activities. The motivational talk highlighted the importance of self-confidence, goal setting, and maintaining a positive mindset. The skill development programme focused on communication, leadership, and problem-solving abilities through hands-on training. Group discussions, role plays, and creative exercises encouraged teamwork, critical thinking, and innovative approaches among the participants. The sessions created an engaging and interactive environment, enabling students to connect theoretical knowledge with real-world applications.

The seminar was attended by over 140 plus students and five faculty members, who actively engaged throughout the program. Feedback highlighted the session's relevance and the motivational aspect of preparing strategically for careers in AI and related fields.

The program concluded with a vote of thanks from the Head of the Department, acknowledging the efforts of the guest speaker, organizing committee, and participants for making the seminar a resounding success.
