

DR.N.SANTHI

Name : N.SANTHI
Designation : Assistant Professor
Date of Birth : 24.03.1976
Permanent address : 17,Agraharam. Sendamangalam, Namakkal.
E-mail : drsanthigovvan@gmail.com
Mobile No : 9788913872
Qualification : M.Sc., M.Phil., Ph.D
Experience : 3 years
Specialization : Organic chemistry
Awards and recognition :

Seminar, Workshop, Conference attended

1. “National Seminar On Recent trends in Physical sciences” organized by Department of Physics and Chemistry at Vivekanandha College, Tiruchengode on 22th Jan-2010.
2. “National Workshop On Radiochemistry and Application of Radioisotopes” organized by Department of Chemistry at Selvam College, Namakkal on March 26 -31st 2012..

Faculty development program attended

“ Faculty development programme” conducted by Academy For Professional Development on 1-3rd September 2016 at NGM College, Pollachi.

Paper published in journals: -

- 1.N.Santhi and K.R.Sankaran, synthesis and Spectral Studies on N'-(5-m-methyl phenyl Salicyliden)nicotinohydrazide, a DFT approach, International journal of Recent scientific Research 2015,6,5991-5996.
2. .N.Santhi and K.R.Sankaran, synthesis of N'-(5- arylazo salicylidene) nicotinohydrazide- Characterization and DFT analysis, International letters of chemistry, physics and Astronomy, 2015,60,129-141.
3. N.Santhi and K.R.Sankaran,Synthesis, Characterization and molecular properties of N'-(5-m-nitrophenylazo Salicyliden)nicotinohydrazide, International journal of chemical and pharmaceutical sciences, 2015,6,143-147.
