

NGM College

Vision

Our dream is to make the college an institution of excellence at the national level by imparting quality education of global standards to make students academically superior, socially committed, ethically strong, spiritually evolved and culturally rich citizens to contribute to the holistic development of the self and society.

Mission

Training students to become role models in academic arena by strengthening infrastructure, upgrading curriculum, developing faculty, augmenting extension services and imparting quality education through an enlightened management and committed faculty who ensure knowledge transfer, instill research aptitude and infuse ethical and cultural values to transform students into disciplined citizens in order to improve quality of life.

VISION

“Our goal is to imbibe the intellectual curiosity among the students, create a quest for knowledge and the ability to translate their knowledge for their own potential to form into a morally upright, spiritually enlightened and a holistic personality”.

The Department Association is HISTORIA’s Motto is to Empower the Youth to Enrich the Nation

**The Department Outreach Forum is REACH, (Rural Education and Cultural Heritage)
Motto of REACH is to Reach the Unreached**

MISSION

The teaching of History aims to:

- Train the students to think Individually, Historically and Universally
- Apply historical method of enquiry to the contemporary Social Problems
- Understand and interpret the past

So that they may be more conscious of national needs committed to

- Social values
- Moral values
- Spiritual values
- National integration
- Universal brotherhood

Course Objective:

This paper helps the students to make job searching an easy task.

Course Outcome

On successful completion of the course the students will be able to

Knowledge Level	CO Number	CO Statement
K1	CO1	To know about the component of a computer and functions of computer.
K2	CO2	To Illustrate about MS Excel
K3	CO3	To examine about the document enhancement and usage of graphics and mails
K4	CO4	To understand about MS Office

Syllabus

Unit	Content	Hrs
I	Introduction to the Computer –Components of a Computer – Functions of Units of Computers –History of Computers. Introduction to MS Office – Introduction to Word – Editing a document – Move and Copy text – Formating text and paragraph – Finding and Replacing Text – Mail merge.	11
II	Introduction of Worksheet and Excel – Getting started with Excel – Editing cells and Using commands and functions – Moving and copying, Inserting and Deleting Rows and Columns – Formatting a worksheet – Creating charts – Using data and time functions – Printing the worksheet.	10
III	Introduction to Power point – Creating a Presentation – <i>Different views in Power Point</i> – Running a Slide show – Animation and sound – Importing object from other applications – Automating your presentation – Printing your Presentations.	10
IV	Introdtion to MS Office – Introduction to Word – Editing a Document – Move and Copy text – Formating text and paragraph – Finding and Replacing Text – Spelling and Grammar checking – File Export and Import	11
V	Authentication - Password Management - E-Commerce security - Windows security - <i>Network Security</i> : Network Intrusion detection and prevention systems - Firewalls - Software Security - Web security: User authentication, authentication-secret and session management, Cross site scripting, Cross site forgery, SQL injection. Computer Forensics - Steganography.	10
