Dear Sir/Madam,

The Department of Hindi is highly privileged to invite you to participate in MILAN'18, a one day event in Nalamuthu Gounder Mahalingam College. The event will commence at 9.00 AM in Prof. Alkondan Hall on 28th February, 2018.

About the Institution

Nalamuthu Gounder Mahalingam College was established on the auspicious day of 12th July, 1957. This year we celebrate its Diamond Jubilee.

The institution has a vision to provide quality education to the rural students in and around Pollachi. The institution had started its journey with mere three hundred students in Pre-University Course and now it has forty eight departments with more than five thousand students.

This institution now aims to provide education to all the students at national and international level.

About the Department

The Department of Hindi is a twenty year successful small flowing stream of NGM river in the west of Pollachi for sixty years.

Keeping in mind about importance of languages, Department of Hindi was started on 17th June, 1998. It aims to develop the language of Hindi especially for Non-Hindi students. Moreover this department enables the student of other states to continue their education without any language interference.

The Department also conducts certificate course every year to give awareness on Hindi language for Non-Hindi students.

About MILAN

This is an era of Multi-Lingual people. People around the world can speak up to three languages. So it is important to understand the importance of languages especially Hindi, the National language.

Hindi is the fifth largest spoken language in the world but when it comes to South India the spoken ratio is reduced to just 10:1 i.e. only one person in ten can speak Hindi fluently.

MILAN is about a meet to discuss the challenges that Hindi faces to grow in the southern part of Indian subcontinent. We propose to look into all the possible ways to introduce Hindi from primary level.

Language is a tool to express ourselves and to have a command over the language in which we express ourselves.
