Mobile No : 8072684816
Qualification : M.Sc., B.Ed., M.Phil.,
Experience : 5 Years
Specialization : Inorganic chemistry
Awards and recognition : -

Seminar, Workshop, Conference attended

1. Participated in CSIR sponsored national level coference Recent trends in environmental management & technology at NGM College on 14th August 2008.
Participated in seminor on “Nuclear Energy for National Development” at NGM college on 3rd December 2009.
2. Participated in state level seminor on “Nuclear Energy, Nuclear Reactors & Their Safety- an overview” at APA College for Women, on 26th December 2011.
3. Participated in workshop on corrosion and its control at PSGR Krishnammal College for women, on 30th June and 1st July 2016.
4. Participated in one day state level conference on “Novel Trends in Chemistry [NTC(I) 2014]” at Arulmigu palaniandavar arts college for women, on 30th January 2014.
5. Participated in workshop on corrosion and its control at PSGR Krishnammal College for women, on 30th June and 1st July 2016.
6. Presented a paper on “Cost effective production of purified carbon monoxide” in the national conference on Green Technolohy- Green tech 09, at NGM College on 18th and 19th February 2010.
7. Presented a paper on “In-situ surface topographical analysis of nano films on mild steel formed by DTPMD-Zn²⁺-inhibited system by nanofilm gold ripped atomic force microscopy” in the international conference on Nanoscience and Nanotechnology Technolohy, at Coimbatore Institute of Technology, Coimbatore on 6th to 8th July ,2011.

8. Presented a paper on “Surface characterization of low carbon steel inhibited from corrosion by Fluconazole Zn^{2+} system in neutral aqueous environment” in the international conference on Green Surface Engineering for research and industrial Applications, on 7th to 9th August 2013.
9. Presented a paper on “” in the UGC sponsored one day national level seminar on Recent Advances in Chemistry at Arulmigu Palaniandavar College of Arts and Culture, Palani on 11th August 2014.
10. Presented a paper on”” in the Two day national level conference on Recent trends in medicinal chemistry at government arts college, Coimbatore on 19th and 20th February 2015.
11. Presented a paper on “Investigation of ATMP – Cd^{2+} inhibitor system as corrosion inhibitor for carbon steel in neutral aqueous medium” in one day national level seminar on the Widening Horizons of Chemistry-III, at Arumigu Palaniandavar Arts College for Women, on 5th March, 2015.
