MINUTES

The Board of Studies of the U.G. Dept of Computer Applications met on 3.5.2013 at 10 a.m under the chairmanship of Mr. K. Haridas, Head, U.G. Dept of Computer Applications. The board discussed on the proposed scheme for U.G. program for the students admitted in 2011-12.

The board hereby resolves to approve the proposed scheme for the batch 2011-2014 (V & VI Semester) & batch 2013-2016 (I & II).

It has been resolved that for the 2011-14 batch onwards

* (Organizational Behaviour should be introduced instead of Software Project Management) in V Semester.

* (Net Lab should be introduced instead of Software Testing Lab in VI Semester.

* (Internet Concepts and Green Computing are introduced) as the Non Major Elective in V Semester.

* Web Design Concepts and E-Commerce are introduced as the Non Major Elective in VI Semester.

* For the 2013-2014 batch Onwards.

* Net theory and Net Lab is introduced in the IV Semester.

* Web Designing theory and Lab is postponed to the VI Semester instead of Data Mining theory and Software Testing Lab.

* The COBOL programming has been altered such that Character handling preponed to 4th Unit and files postponed to 5th Unit.
