The Board of Studies of The U.G. Dept of Computer Applications met on 5.3.2016 at 10 am under the Chairmanship of Mr. K. Haridas, Head, U.G. Dept of Computer Applications. The board discussed on the Proposed Scheme for U.G. Program for the students admitted in 2016-17 (I, II, III, IV, V, VI Semesters).

The board hereby resolves to approve the Proposed Scheme for the batch 2016-2019.

- * The Professional Subjects, few topics require fully evaluated internally. In this connection we would like to evaluate Self Study Lab papers in the Semesters III and IV internally.
- * In the Semester IV, the Web Designing can be renamed as "An introduction to Web Designing and Programming".
- * The Split up of the units of web Designing and programming can be
 - Unit 1: Internet & HTML
 - 2: Java Script
 - 3: VBScript
 - 4: ASP
 - 5: XML
- * In all the Syllabus, Text books can be referenced with corresponding Unit numbers.
- * Latest reprint of Textbooks can also be included.
- * In the Vth Semester, Aptitude Paper can be included as the internally evaluated Paper in skill based elective.
- * DOT NET Subject can be renamed as "Framework Technologies"
