As per the recommendations of the Board members, we have planned to introduce a subject Introduction to Information Technology instead of Relational Database management Systems.

We have introduced two non-major elective papers in fifth and sixth semester. In Vth semester - Dynamics in E-commerce and in VIth semester applications in E-commerce paper. Global Business Strategy paper is introduced in VIth semester instead of Principles of Auditing. Management Information Systems is introduced instead of Operations Research. Board members recommended certain changes in few subjects.
