| 9.    | Dr. M. MANIMUTHU                                                                                                                       | M. Manimuthu<br>05/03/16         |

The resolutions made in the Board of studies meeting held on 05.03.2016 are as follows:

- The syllabi for the 2016-17 - 2018-19 batch is framed.
- Credits allocations for the core papers may be re-distributed.
- Recent books/newer editions of books are to be included in the reference section.
- Title on plant tissue culture is to be included in the plant diversity - II paper in Ancillary Botany.
- Cytology paper in the curriculum is to be re-organized giving importance to classical subject.
- 'Biochemistry and Biophysics' paper is to be kept as a separate paper.
- Titles included in 'Evolution' unit in the paper Plant diversity - II are to be shifted to 'Genetics' paper and both the papers are to be re-organized.
- 'Herbal Botany' title may be renamed as 'Medico-Botany'.
- It is good to keep 'Microbiology' paper in the 1st year itself. (given in the 5th sem)
- A separate paper for Taxonomy practical may be given.
- The papers 'Bioinformatics' & 'Mathematics for Biologists' may be bunched to an or separate paper to adjust the credits for core papers.
