Honda, No. 2, Sathy Road,
Erode - (Special Invitee)

7. Dr. P. R. Balasubramanian

8. Dr. M. Durairaju.

 3/5/13

9. Ms. S. Mariselvi

 3/5/13

10. Dr. K. M. Remia

Studies in Zoology
03.05.2013 - 10.00 A.M.

2013

43

MINUTES

Papers Reviewed:

1. Non-chordata - Semester I
2. Chordata - Semester II
3. Major Practical I - Semester I & II
(Non-chordata & Chordata)
4. Cell Biology - Semester III
5. Genetics - Semester IV
6. Major Practical II - Semester III & IV
(Cell Biology & Genetics)
7. Developmental Biology & Endocrinology - Semester V
8. Biostatistics & Biophysics - Semester V
9. Biotechnology - Semester V
10. Computer Applications in Biology & Bioinformatics - Semester V
11. Computer programming Laboratory & Bioinformatics - Semester V
12. Medical Laboratory Techniques - Semester V
13. Animal physiology & Biochemistry - Semester VI
14. Ecology & Evolution - Semester VI
15. Microbiology & Immunology - Semester VI

07-04-2019

Board of Monday

45

16. Sericulture - Semester VI
17. Aquaculture - Semester VI
18. Major practical III - Semester V & VI
(Developmental Biology & Endocrinology, BioStat & Biophysics
Biochemistry & Animal physiology & MCT)
19. Major practical IV - Semester V & VI
(Ecology & Evolution, Biotechnology, Microbiology & Immunology
Sericulture & Aquaculture).
20. Ancillary paper I
(Non-chordata & chordata) - Semester I
21. Ancillary paper II
(Applied zoology) - Semester II
22. Ancillary Zoology practical - Semester I & II
23. Skill Based Electives:
 1. Apiculture (ME) - Semester III
 2. Vermiculture (ME) - Semester IV
 3. Food and Nutrition (NME) - Semester V
 4. Ornamental Fish culture (NME) - Semester
 5. Insect pest management (CME) - Semester III
 6. Vectors & Human diseases (NME) - Semester
 7. Biopharmaceutical (NME) - Semester
 8. Poultry Science & Management (ME) - Semester IV

⇒ All the members were present for the BOS

⇒ Members gave their suggestions & changes were noted down to be carried out in the syllabus discussed.
