Faculty Feedback Report

Curriculum Design and Development:

The parameters of the Curriculum Design and Development seems to be Strongly Agreed that they have freedom in designing the curriculum through the Board of Studies ensuring the currency and relevance of the programme, which has high course objectives and well defined course outcomes. It is agreed by the staff members that the representation of the Industrial experts also helps in course design and development that focuses on employability.

Teaching, Learning and Evaluation:

It is strongly agreed that the ICT is effectively used for student centered teaching and learning and even the faculty members use the library for adequate learning. It is also agreed that the college is adopting well designed evaluation system.

Research:

It is strongly agreed that the publications of the teachers are encouraged and meritorious teachers are motivated appropriately. It is also agreed that organizing, participating and presenting the papers in conference, seminars and workshop are recognized well. Further it is seen that the college tries to concentrate on the institutional social responsibility. Prior care is to be taken to retain the staff members with Ph. D and M. Phil.

Infrastructure:

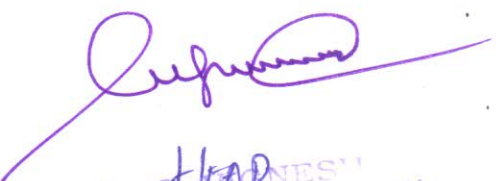

A strongly agreed opinion is on the parameters such as sufficient potable water, sufficient restrooms, adequate parking facility and adequate classrooms and furniture. The staff room is agreed to have adequately furnished.

Governance:

We staff members strongly agree that quality initiatives are taken by the institution towards improvement of academic standards.

Well Being of Staff Members:

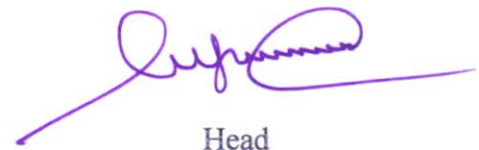

It is agreed to have comprehensive insurance coverage for the students and necessary fee concessions for pursuing M. Phil and Ph. D for staff members. We agree that there is adequate fee concession for the ward of the staff members.
