Feedback from Parents

They suggested to have extra coaching classes to develop their skills to meet the requirements of the competitive world. The usage of Google classroom was appreciated by the parents. It was told by the parents that NGM is safe but it lacks sanitation facilities in terms of the total strength of the girl students.

Action taken:

Students are encouraged and allowed to participate in campus interviews and other extracurricular activities.

Feedback from Alumni

The alumni suggested that remedial training should be given to weak students. Reading habit should be inculcated in students. Students should be encouraged to take part in cultural activities both in our college and other colleges also.

Action taken:

Remedial classes are being conducted for the weaker students. Often students are sent to take part of inter and intra collegiate meets.

Feedback from Faculty:

The syllabus is revised and updated by the suggestions given by the inputs of the Board of studies. The existing lab should be provided with Wi-Fi connection for the effective usage e-classroom. Inadequacy of rooms for scholars was noted.
