Madam,

Thank you for partnering with us in our endeavour to popularise 'PMJDY - Prime Minister Jan Shan Yojana Scheme', that focuses on opening of bank account to every unbanked populace. The report of the survey that you have carried out with the help of 15 of your students has come out well. We are able to estimate how many people in the rural parts of Coimbatore district, are without a bank account. The report that you have submitted to SBI, Pollachi is highly useful for us to locate the target group of prospective customers.

We have already initiated efforts to approach people without a bank account and motivate them to open an account with our bank so that 100 per cent financial inclusion can become a reality. We express our sincere gratitude for the timely assistance you extended us in fulfilling the dream of our Prime Minister.

We place on record our sincere appreciation to you and to the team of your students who put in a lot of efforts to identify people outside the framework of Indian banking system.

With Best wishes and regards

Yours Faithfully,

Regional Manager
