

IMPACT OF INDIRECT TAXES IN INTERNATIONAL TRADE Date: 10.02.2014

Dr. N. Udaya Shankar superintendent, Customs, Central excise and service tax for Coimbatore, gave an experimental learning about the impact of indirect taxes in International Business. He addressed to more than 150 students within our college about the indirect tax. The higher the exports lower will be the indirect taxes was the mantra behind any transactions. In future all these taxes will be clubbed into a single tax that is GST.
