Two Days National Level Seminar On
Advanced Materials for Energy, Environment and Medicinal Applications
(AMEEMA)-2019 on 11.07.2019 & 12.07.2019

SEMINAR REPORT

Post Graduate Department of Chemistry, Nallamuthu Gounder Mahalingam College, Pollachi organized Two days National Seminar on “**Advanced Materials for Energy, Environment and Medicinal Applications**” on 11th and 12th July 2019 sponsored by Tamilnadu State Council for Science & Technology with a focus on recent advances in the field of Material Science, renewable energy production, environmental remediation and materials for medicinal applications. The morning session started with invocation by M.Sc students and lighting of lamp by dignitaries.

Dr. K. Poonkodi, Head of the Department welcomed the gathering and acknowledged the TNSCST for financial support for this seminar. **Dr. P. M. Palanisamy, Principal** delivered Presidential address. **Dr. N. Ponpandian**, Professor and Head, Department of Nanoscience and Technology, Bharathiar University inaugurated the function and released the proceedings and delivered about the role of “**Nanomaterials for Environmental Remediation and Monitoring**”; more than 150 delegates participated from various colleges and presented their research findings. **Dr. E. Helen Pricilla Bai**, Professor & Head, Department of Chemistry, Park College of Engineering and Technology, Coimbatore, handled a section on “**Mixed Metal Oxides as Nano Precursors and Green Chemistry**”. The paper and poster presentation by faculty and students from various colleges held in afternoon session. **Dr. V. Prabhu**, Assistant Professor, PG Department of Chemistry, NGM College, delivered vote of thanks to all the dignitaries.

In the second day technical section **Dr. S. Ravi**, Professor and Head, Department of Chemistry, Karpagam Academy of Higher Education, Coimbatore delivered a lecture on “**Role of Spectroscopy in Advanced Material Synthesis**”. and **Dr. I.V. Muthu Vijayan Enoch**, Associate Professor, Department of Nanoscience, Karunya Institute of Technology and Sciences, Coimbatore, addressed the “**Role of Magnetic Nanomaterials for Targeted Cancer Drug Delivery**”. The certificates were distributed in valedictory session. Finally vote of thanks delivered by **Ms. K.Vimala Devi**, Assistant Professor, PG Department of Chemistry, NGM College, Pollachi.
