Saturday.

Minutes of the Meeting.

The Head of Studies in English met on 22/8/2022 after the usual welcome. The subject expert and student as a faculty and as a Librarian subject expert about their subject expertise and suggestions. The syllabus found for 1st year in Major English was much appreciated by the experts and the students.

In the 1st semester, the paper has been completed changed. In the 2nd semester, several books have been revised 100%. A new course structure has been validated to enhance the skill of the students in the 3rd semester. In the 4th semester, several other students' literature a completely new course has been designed.

Completed more than the 5th semester after discussion and interaction it is planned to introduce course for preparing students for all competitive exams, especially Research Methodology in English communication course. It was also suggested that in future library to English, the paper written by the poets of the English course be included.

Subject Experts suggested to integrate paper in each chapter in Giblin's literature. It was also suggested that question bank be prepared for the paper was course survey of literature. After complete revision and inclusion of 2nd semester course will be placed for the 2021-2022 board. Then paper the monitor and the English were thanked for their contribution and suggestion.
