4.	Course Pattern motivates the students to use the resources such as library and e-gadgets for their learning	✓			
5.	The Course evaluation schemes fulfill the learning system as student-centric	✓			
6.	Feedback from academic audit on course, helps to fine-tune the curriculum	✓			
7.	The books prescribed / listed as reference materials are relevant, updated and appropriate	✓			

8. Challenging topics (if any) & Give Reasons: Group Theory

This topic is more concept oriented, has vast extensions leading to numerous results and conclusions. Working under this topic will be more interesting and productive.

9. Course contents to be added (Give Reasons)
Another Counting Principle

10. Course contents to be removed (Give Reasons)
Nil

11. Any other suggestions to improve the course:
