ABOUT THE ICSSR

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country. ICSSR provide grants for projects, fellowships, international collaboration, capacity building, survey, publications etc. to promote research in social sciences in India. Documentation centre of ICSSR National Social Science Documentation Centre (NASSDOC) - provides library and information support services to researchers in social sciences. ICSSR has developed ICSSR Data Service to serve as a national data service for promoting powerful research environment through sharing and reuse of data among social science community in India.

ABOUT THE INSTITUTION

A nation's growth is in proportion to education and intelligence spread among the masses. Having this idealistic vision, two great philanthropists Late. S.P. Nallamuthu Gounder and Late. Arutchelver Padmabhushan Dr.N.Mahalingam formed an organization called Pollachi Kalvi Kazhagam, which started NGM College in 1957, to impart holistic education with an objective to cater to the Higher educational needs of those who wish to aspire for excellence in knowledge and values. The College has achieved greater academic distinctions with the introduction of Autonomous System from the academic year 1987-88. The College is offering Human Excellence as a part of curriculum. The college has been Re-Accredited by NAAC, ISO 9001: 2015 Certified Institution and NIRF Ranking: 101-150 band. The total student strength is around 6000. Having celebrated its Diamond Jubilee in 2017, the college has blossomed into a premier Post-Graduate and Research Institution, offering 29 UG, 11 PG, 14 MPhil. and 13 Ph.D. Programmes, apart from Diploma and Certificate Courses.

ABOUT THE DEPARTMENT

The Department of Commerce came in to being in the year 1995 to offer quality education in commerce in the region. The department has crossed several milestones in achieving remarkable academic progress. The department caters to all around department of the students, both technically and professionally. The department involves itself in the tuning and development of curriculum related to the recent scenario of job market environment with cooperation and coordination of highly committed team of faculty members.

ABOUT THE SEMINAR

Digital Education is generally also considered as e-learning or online learning or virtual learning also. It is a kind of education that makes learning much more individualized, productive and long lasting than ever before by making effective use of technology or technology aided electronic gadgets. The basic idea behind the digital education is not to replace the traditional educational system altogether, rather to enhance the learning experiences. It can be said that digital education has combined technology and learning and thus, has gone a long way on the behalf of learners in making learning more individualized on the one hand as well as has enabled them to come forward for teamwork on the other hand, if needed. ICSSR National Seminar on "Impact of Digital Learning in Education Sector – A Pandemic Perspective" to bring together Academicians, Scientists, Researchers and Scholars to exchange and share their knowledge, experience, and research results on the aspects of Digital Learning in education sector. In this context, the Seminar focuses on the following sub-themes:

- Collaborative & Interactive Learning
- Tools for 21st Century Learning
- Education Management Systems
- Education Policy and Leadership
- Business Education in the Azadi Ka Amrit Mahotsav
- Virtual and Remote Laboratories
- Pedagogy Enhancement with E-Learning
- Course Management Systems
- Educating the Educators
- Professional Development for Teachers in ICT
- Teacher Evaluation in the Azadi Ka Amrit Mahotsav

- Integrating Technology in Curriculum: Challenges & Strategies
- Artificial Intelligence, Robotics and Human Computer Interaction in Education
- Web-based Tools for Education in the Azadi Ka Amrit Mahotsav
- Games and Simulations in Education
- Learning / Teaching Methodologies and Assessment
- Curriculum, Research and Development

SEMINAR OBJECTIVE

The main objective of the seminar is to observe the impact of digital learning on different Areas of Education sector during Azadi Ka Amrit Mahotsav. It provides greater insight into the channels through which digitalization affected the diverse areas of Education sector and to evaluate the innovative Digital Learning Practices adopted by Education sector.
