## Training & Placement Cell Highlights

### Google Developers Students Club – Developed by Google, India:

**We have Google Developers Students Club – Developed by Google, India:** 1<sup>st</sup> Time in Pollachi History that our Student (Lavanya .G – B.Sc CS) has been selected as a Google Developer Student Club Lead for our campus 2022 – 2023 & 2<sup>nd</sup> Time in Pollachi History that our student (Arunkumar – BCA) has been selected as a Google Developer Student Club Lead for our campus 2023 - 2024! He will be joining an amazing community of student leads who will be representing hundreds of colleges and universities across the globe. Across the country 512 leads are only there, one among them from our NGM College.

### Coursera for Campus:

We have **Coursera for Campus program since 2020 for free online certificate program.** Unlimited Access to 7,000+ Courses, Specializations and Professional Certificates. Students can earn a Certificate for Every Learning Program That they complete, at No Additional Cost. 100% Online Certification. A Path to In-Demand Jobs. This program helps our student's master job-ready skills with Guided Projects, programming assignments, and in-course assessments.

### MoU Signed for Free Training Program:

1. We have **Signed MoU with MSME – Technology Development Centre (Government of India) for Value Added Course and providing 70% scholarship to the needy students.**
2. We have **Signed MoU with IBM SkillsBuild through EDUNET Foundation for Free**

**Online Certification Courses/Program. IBM SkillsBuild is a free digital platform** that gives every student and teacher, an opportunity to develop technology and professional skills regardless of your background, education, or life experiences. Additionally it includes **Tech Saksham Program (Sponsored by Microsoft India and SAP India)**

**IBM SkillsBuild Focused on Emerging Technologies the Benefits for Students and Faculty Members include:**

- ✓ Certification and badges from SkillsBuild create a sense of achievement amongst participants.
- ✓ More than 10,000 high quality courses are available on the platform.
- ✓ Career track and placement support is available to learners who meet certain criteria.

3. We have signed **MoU for Tech Certification Programs with Vodafone Intelligent Solution through Connecting Dream Foundation & Edunet.** The ‘\_VOIS for Tech: University Engagement Program’, a CSR initiative of Vodafone Intelligent Solutions (\_VOIS), designed and executed by Vodafone Idea Foundation was conceived given the changing world order in the area of technology. This program enables the students to bolster themselves by acquiring market relevant skills to become employable in the real world. As a part of the program, the students and the faculty get an opportunity to participate in boot camps and conversations with experts from the industry to innovate in the real world context. The students also get access to more than 80 certifications in 7 focused technologies.

**The certificate track in the document focuses in the following skills (Basic, Intermediate & Advance)**

1. AI/ML
2. Data Analytics
3. Linux
4. Cloud Computing
5. Cyber Security
6. Power BI
7. Block Chain
8. Full Stack Web Development

- 4. We have signed MoU with Edunet Foundation, in collaboration with EY GDS, for the Next Gen Employability Program** to propel & augment the future skill ecosystem to democratize education for youth from Tamil Nadu towards technology careers. The program aims to impart IR 4.0 skills in the domain of Data Analytics & Cloud Computing to create a future-ready work force in tier-II / III towns across the geographies.

**Program overview:**

**Next Gen Employability Program** enables the students to bolster themselves by acquiring skills that enhance their employability in the dynamic tech industry. The program aims to strengthen the overall education ecosystem by imparting certificate-linked training initiatives for the following segments:

- 1. 70 hours of training for students from BCA, B.Sc CS, IT, CT & M.Sc CS courses from the pre-final and final year (preferably female students)**
- 2. 15-20 hours of the faculty development program for faculty from a technical background**

The current pilot phase of the initiative aims to deliver capacity-building training in a blended mode of learning (preferably instructor-led classroom sessions) to garner technical skills in the areas of Cloud Computing, Data Analytics, and Power Bi, along with employability skills. The students will get opportunities to participate in coursework workshops, boot camps, expert talks, and project-based learning to Innovate solutions for real-world tech problems.

- 5. We have signed MoU with Great Learning for the Job Readiness Program, it is designed to ensure college graduates get learning and job outcomes. Over the past 7 years, 300,000+ students across 80+ countries have benefited from Great Learning's flagship post graduate courses and are now working in job-roles such as Software Engineers, Full Stack Developers, Data Analysts, Business Analysts, Reporting Analysts, Data Scientists, Digital Marketing Specialists, etc.**

The content is curated from Great Learning's flagships programs taught by faculty with world renowned universities such as **University of Texas Austin, Stanford University, IIT Bombay, IIT Madras, Great Lakes Institute of Management**, among others along with industry practitioners.

## **Corporate Ambassador Program:**

TCS Campus Ambassador for the year 2022 – 2023 our student Sonika .B – B.Sc CS & for the year 2023 – 2024 Dhivya .G – B.Sc CS has been selected. TCS Campus Ambassador is the most prestigious and dream position to hold for any college student. It plays a vital role in enhancing one's leadership and branding skills.

### **Role and Functions TCS Campus Ambassador:**

1. The Campus Ambassador plays a vital role by being a bridge between the students and TCS.
2. The Campus Ambassador cascades all the information shared by TCS to his/her wider network.

## **Corporate Campus Connect Program for Students:**

1. **Invited Mr. Vignesh Paramasivam, TCS Recruitment Campus lead, Tamilnadu, Kerala & Pondicherry for Campus Connect Program.**
2. **Invited Ms. Radhika Ravi, National Head, WIPRO (Work Integrated Learning Program), for Campus Connect Program.**
